Life is What You Make It - Preeti Shenoy  
2019-07-12

What would you do if destiny twisted the road you took? What if it threw you to a place you did not want to go? Would you fight, would you run or would you accept? Set across two cities in India in the early eighties, Life is What You Make it is a gripping account of a few significant years of Ankita's life. Ankita Sharma has the world at her feet. She is young, good-looking, smart and tones of friends and boys swooning over her. She also manages to get into a premier management school for her MBA. Six months later, she is a patient in a mental health hospital. Life has cruelly and coldly snatched that which meant the most to her and she must

now fight to get it all back. It is a deeply moving and inspiring account of growing up, of the power of faith and how determination and an indomitable spirit can overcome even what destiny throws at you. A tale, at its core a love-story that makes us question our beliefs about ourselves and our concept of sanity, and forces us to believe that life is truly what one makes it. **Anything Else But Love** - Ankita Chadha  
2011-03-01

I loved you even before I knew it, The scent of your skin still lingers on my senses, I can see that we are blinded by our natural magnetism towards each other, We are dancing to each others' tunes, rhythmic beats, And still you say that between us there can be 'Anything else but love!' Shewali Singh is a simple, sweet and appealing girl who cares for family and its values. She has just moved to Bangalore to head a project. Always engaged in work, somewhere she has imagined a list of qualities her guy should have. But as her fate would have it, she bumps into a guy who works in the same office as hers. And not only that, he's a flirt, a prankster, who calls himself the Avi Malhotra, who not only misfits the list, but also manages to get a rise out of the generally very easy going Shewali. What follows is, daily fights, gradual friendship, sudden likeness, and thenâ€“? All the rules of the artist's sketch of their better half are thus broken. But, what rules do you follow when you start falling in love? Will the phrase â€œOpposites attractâ€ hold true for them?

**Tabish Khair** - Cristina M. Gámez-Fernández

This volume approaches Tabish Khair's writings (both his theoretical proposals and his novels) from numerous different perspectives.

Contributors engage from varied critical stances with Khair's academic writings in a fruitful dialogue, analyze his social, political and religious concerns, and elucidate his characteristics as a novelist and his literary powers. Furthermore, this volume is highly enriched by the presence of a hitherto unpublished play by Khair, entitled *The One Percent Agency*, which focuses on a tourism agency specializing in bringing "Bollywood"-style Indian weddings to foreign tourists. In the process, it becomes a satirical commentary on the packaging of international tourism as well as the ability of common Indians to adapt and thrive. It depicts the "metropolitan" India of the new millennium and inter-community relations in subtle and powerful ways.

**Perpetual City** - Malvika Singh 2013

"A heartfelt love letter to Delhi that is part history, part family memoir and part indignant call to arms: Why do we tolerate the neglect of India's greatest city, asks Mala Singh. More importantly, she brilliantly shows why we should care and how we need to learn to value the nation's extraordinary capital city." - William Dalrymple Capital to successive empires and the independent Indian republic, Delhi is finally coming into its own as the nation's first city in the twenty-first century. In so doing, it has left behind once and future contenders for the title - Bombay, Madras, Calcutta. How did this small settlement, founded in the lee of an ancient range of hills in eighth century by a Tomar

Rajput chief called Suraj Pal, become one of the world's great cities, home to nearly twenty million people, witness to the rise and fall of empires and dynasts and eccentrics as magnificent and notable as the Tomar Chauhans, the Mamluks, the Khiljis, the Tughlaks, the Sayyids, the Lodis, the Mughals, the Nehrus, the Gandhis and dozens of others too numerous to count. Drawing upon her unparalleled knowledge of the city she has spent most of her life in, Malvika Singh gives us a book that reveals the pith and essence of Delhi through the memorable people who lived (and live) in it, its great buildings, its extraordinary food, its unforgettable music and the centuries of blood and history that have seeped into every square inch of its soil.

*A History of the Indian Novel in English* - Ulka Anjaria 2015-07-08

*A History of the Indian Novel in English* traces the development of the Indian novel from its beginnings in the late nineteenth century up until the present day. Beginning with an extensive introduction that charts important theoretical contributions to the field, this History includes extensive essays that shed light on the legacy of English in Indian writing. Organized thematically, these essays examine how English was "made Indian" by writers who used the language to address specifically Indian concerns. Such concerns revolved around the question of what it means to be modern as well as how the novel could be used for anti-colonial activism. By the 1980s, the Indian novel in English was a global phenomenon, and India is now the third largest publisher of English-language books. Written by a host of leading scholars, this History invites readers to question conventional accounts of India's literary history. **Stories That Bind** - Madhavi Murty 2022-05-13 *Stories that Bind: Political Economy and Culture in New India* examines the assertion of authoritarian nationalism and neoliberalism; both backed by the authority of the state and argues that contemporary India should be understood as the intersection of the two. More importantly, the book reveals, through its focus on India and its complex media landscape that this intersection has a narrative form, which author, Madhavi Murty labels spectacular realism. The book shows that the intersection of

neoliberalism with authoritarian nationalism is strengthened by the circulation of stories about “emergence,” “renewal,” “development,” and “mobility” of the nation and its people. It studies stories told through film, journalism, and popular non-fiction along with the stories narrated by political and corporate leaders to argue that Hindu nationalism and neoliberalism are conjoined in popular culture and that consent for this political economic project is crucially won in the domain of popular culture. Moving between mediascapes to create an archive of popular culture, Murty advances our understanding of political economy through material that is often seen as inconsequential, namely the popular cultural story. These stories stoke our desires (e.g. for wealth), scaffold our instincts (e.g. for a strong leadership) and shape our values.

**Capitalism** - Arundhati Roy 2014-04-14

The “courageous and clarion” Booker Prize-winner “continues her analysis and documentation of the disastrous consequences of unchecked global capitalism” (Booklist). From the poisoned rivers, barren wells, and clear-cut forests, to the hundreds of thousands of farmers who have committed suicide to escape punishing debt, to the hundreds of millions of people who live on less than two dollars a day, there are ghosts nearly everywhere you look in India. India is a nation of 1.2 billion, but the country’s one hundred richest people own assets equivalent to one-fourth of India’s gross domestic product. *Capitalism: A Ghost Story* examines the dark side of democracy in contemporary India and shows how the demands of globalized capitalism have subjugated billions of people to the highest and most intense forms of racism and exploitation. “A highly readable and characteristically trenchant mapping of early-twenty-first-century India’s impassioned love affair with money, technology, weaponry and the ‘privatization of everything,’ and—because these must not be impeded no matter what—generous doses of state violence.” —The Nation “A vehement broadside against capitalism in general and American cultural imperialism in particular . . . an impassioned manifesto.” —Kirkus Reviews “Roy’s central concern is the effect on her own country, and she shows how Indian politics have taken on the same model, leading to the ghosts of her book’s title: 250,000 farmers have committed suicide, 800 million impoverished and dispossessed Indians, environmental destruction, colonial-like rule in Kashmir, and brutal treatment of activists and journalists. In this dark tale, Roy gives rays of hope that illuminate cracks in the nightmare she evokes.” —Publishers Weekly

**A Love Story for My Sister** - Jaishree Misra

2015-01-21

1857: Eighteen-year-old Margaret Wheeler, daughter of General Wheeler, is kidnapped during the uprising. 1997: Eighteen-year-old Delhi schoolgirl Tara Fernandez is kidnapped and murdered. Two crimes of passion separated by 140 years, but bound by strange similarities. In 2013, Tara's little sister, Pia, is a young aspiring novelist, investigating the curious story of Margaret, one of the first known 'victims' of Stockholm Syndrome. She married the soldier who had kidnapped her during the 1857 massacres, and went on to live, seemingly happily, as a Muslim. When Pia stumbles upon Margaret's private journal and letters, she finally begins to understand how it might have been possible for her to fall in love with her captor. But the more compelling question before Pia is whether her sister might have been similarly in love. Why else did she not return home when she clearly had the chance? But, if she had been in love, why was she eventually killed? Moving gracefully between the gruelling summer of 1850s' Kanpur and the leaden grey winter of modern-day Delhi, Jaishree Misra weaves an intriguing tale of danger and violence and the human capacity for hope.

*Close Encounters of Another Kind* - Devaki Jain 2018-09-01  
Close Encounters of Another Kind: Women and Development Economics brings together Devaki Jain's essays which engage with public policy, development economics and women. In the 1970s and 1980s, as a fallout of the First World Conference of Women, held in Mexico in 1975, then the Women's Decade (1975-85), followed by the Second World Conference in 1985 in Nairobi, governments energized their bureaucracies to address women's inclusion in development programmes. Thereby began the work of gendering development, and as a result of challenging the existing ideas, projects related to the design of development policies

and programmes. However, most of these efforts were couched in the knowledge and experience of the global North since the efforts were largely led by the Northern intellectual community. In this volume therefore, Professor Jain highlights the ways in which the design of public policy has ignored the lived experience of what was being offered in India as development.

According to the priests, PK dirtied everything that was pure and holy. But had PK not been an untouchable, his life would have turned out very differently. The Moving City - Rashmi Sadana 2021-12-07

The Moving City is a rich and intimate account of urban transformation told through the story of Delhi's Metro, a massive infrastructure project that is reshaping the city's social and urban landscapes. Ethnographic vignettes introduce the feel and form of the Metro and let readers experience the city, scene by scene, stop by stop, as if they, too, have come along for the ride. Laying bare the radical possibilities and concretized inequalities of the Metro, and how people live with and through its built environment, this is a story of women and men on the move, the nature of Indian aspiration, and what it takes morally and materially to sustain urban life. Through exquisite prose, Rashmi Sadana transports the reader to a city shaped by both its Metro and those who depend on it, revealing a perspective on Delhi unlike any other.
