**International GAAP 2019** - Ernst & Young LLP 2019-01-14

International GAAP® 2019 is a comprehensive guide to interpreting and implementing International Financial Reporting Standards (IFRS), setting IFRS in a relevant business context and providing insights into how complex practical issues should be resolved in the real world of global financial reporting. This book is an essential tool for anyone applying, auditing, interpreting, regulating, studying or teaching IFRS. Written by EYs financial reporting professionals from around the world, this three-volume guide to reporting under IFRS provides a global perspective on the application of IFRS. Complex technical accounting issues are explained clearly and IFRS is set in a practical context with numerous worked examples and hundreds of illustrations from the published financial reports of major listed companies from around the world. The 2019 edition of International GAAP® has been fully revised and updated in order to:

- Continue to investigate the many implementation issues arising as entities adopt IFRS 9 (Financial Instruments) and IFRS 15 (Revenue from Contracts with Customers).
- Explore the complex implementation issues arising as entities adopt, in 2019, IFRS 16 (Leases).
- Include an updated chapter on the new insurance contracts standard IFRS 17 (Insurance Contracts), which reflects the recent discussions of the IASB's Transition Resource Group on implementation issues raised, proposed narrow-scope amendments to

IFRS 17 intended by the IASB, and also explores other matters arising as users prepare for the adoption of this standard.

- Include an amended chapter on the revised Conceptual Framework, which was published in March 2018. The changes to the Conceptual Framework may affect the application of IFRS in situations where no standard applies to a particular transaction or event.
- Address amended standards and new interpretations issued since the preparation of the 2018 edition.
- Explain the many other initiatives that are currently being discussed by the IASB and by the IFRS Interpretations Committee and the potential consequential changes to accounting requirements.
- Provide insight on the many issues relating to the practical application of IFRS, based on the extensive experience of the book's authors in dealing with current issues.

The Environment and You - Norman L. Christensen 2018

This loose-leaf, three-hole punched version of the textbook gives students the flexibility to take only what they need to class and add their own notes--all at an affordable price. For Introductory Environmental Science Courses (Non-Majors). Build and practice skills needed to understand complex environmental issues The Environment and You, 3rd Edition, by Norm Christensen, Lissa Leege, and new co-author Justin St. Juliana, gives today's generation of students reason to be hopeful about environmental challenges. The authors draw on their pedagogical expertise and classroom experience to help students establish a reliable foundation in science. The unbiased approach of the text equips students with important analytical and quantitative reasoning skills, including how to ask questions to seek information required to develop informed opinions. The authors strive to inspire students, by connecting the course to choices they can make as citizens and demonstrating the role science can play in influencing personal, community, and global environmental issues. With the 3rd Edition, new features include You Decide which presents complex environmental issues and invites students to take a position and consider the results of their position. New Misconceptions address common student misunderstandings related to matters of scientific fact and tackle them head on. The textbook is closely integrated

with Mastering(tm) Environmental Science to support instructors and students with a wide variety of engaging assignments and activities.

*CPA Exam Review 2019 - at Least Know This - Financial Accounting and Reporting - At Least Know This 2018-11-28*

This 2019 edition of our review book is for exams between January 1, 2019 and December 31, 2019. At Least Know This publishes a 60-page review for Financial Accounting and Reporting. Our books are meticulously researched, and we write with full context and clarity. We do not believe students must memorize 300 pages of review to pass the CPA exam. And, given fewer pages, we find that students have greater retention. To lighten our books, we use wider page margins, decrease font, and eliminate redundancy. We use tables because they structure and compare information efficiently. We teach with examples. And we improve the quality of our writing. The result is FAR in 60 pages. Fake Cash method--accounting discovery for all time. T-account methods to solve intercompany sales and foreign currency transactions. Updates to reflect the Lease ASUs that are eligible for testing in 2019.
