I Am Not Myself These Days - Josh Kilmer-Purcell 2009-10-13

“A glittering, bittersweet vision of an outsider who turned himself into the life and soul of the party. Kilmer-Purcell’s cast is part freak-show, part soap-opera, but his prose is graced with such insight and wit that the laughter is revelatory, and the tears—and there are tears to be shed along this extraordinary journey—are shed for people in whom everybody will find something of themselves. In a word, wonderful.” — Clive Barker
“Absolutely hilarious and heartbreaking and heartfelt.” —Armistead Maupin, author of *Tales of the City* The New York Times bestselling, darkly funny memoir of a young New Yorker’s daring dual life—advertising art director by day, glitter-dripping drag queen and nightclub beauty-pageant hopeful by night—was a smash literary debut for Josh Kilmer-Purcell, now known for his popular Planet Green television series *The Fabulous Beekman Boys*. His story begins here—before the homemade goat milk soaps and hand-gathered honeys, before his memoir of the city mouse’s move to the country, *The Bucolic Plague*—in *I Am Not Myself These Days*, with “plenty of dishy anecdotes and moments of tragi-camp delight” (Washington Post).

It's Nice to Be Nice - Herb Graham 2018-09-26

I work really hard at human communication with many persons. To me, it doesn't matter who you are, where you live, where you come from, what you look like, or your bank account. I have always persuaded the power of positive thinking, excellence, and perfection. My effort in being comfortable and not satisfied lead me to write this book and acknowledge all the wonderful, positive and good spirited people that helped me to be very successful and accomplish my goals. I was so fortunate to have met so many good and kind people. Some of the most successful people in the world have overcome tremendous challenging obstacles in order to reach their goals and their destiny. The grueling sacrifice gives new meaning for trusting, have faith and believing that it's nice to be nice. When I moved out of my parents' home heading for adulthood and being independent or on my own, I met someone that really taught me how it feels to be nice during selfless things volunteering in the community at school and church. That was our agenda, thinking positive, raising a family together, and meeting new

friends. I remember this one particular incident when we were out on the town having dinner celebrating something birthdays or anniversaries and this gentleman came over to our table. He introduced himself, his name was Merlin Olsen. He said he wanted to pick up the tab or pay for our dinner. During the early 60s. that was a moment when I learned and understood how it feels "to be nice." That person and my wife are no longer here. My wife's passing placed a void in my heart. Music fills that void in my heart, whatever the mood or the moment is. It is a good feeling for me when I say, "It's nice to be nice."

Dragon Boy - Al Rowe 2020-12-22

The idea for the book has been taken from true events during the fantastic life of the author. Some of the characters are real and have played a solid role of shaping the author into the man he is today. The author met God when he was seven years old. The angel Tonghunkas Tan Bonus is real; the mother of Jesus Christ is real-the author visited with them three to four hours. This great event is absolutely true. The author's polygraph test will be released in his next book, For Whom the Bullets Kill. He will also tell readers where heaven truly is, what it looks like, and much more. The events with the dignitaries were real but have been embellished for the excitement and entertainment of the reader. Again, this book was written to captivate the reader's attention but, most importantly, covers true events that will enlighten the religious beliefs we Americans are blessed to have freedom to worship every day. If my book offends anyone, I offer the humblest apologies; if my book entertains anyone, then all my labors will have been worthwhile. I thank God that I am an American and have the right to write what I please. I also feel I have earned that right by having fought wars for my country and also for the people while serving as a police officer.
