**Koji Kondo's Super Mario Bros. Soundtrack** - Andrew Schartmann 2015-05-21

Koji Kondo's Super Mario Bros. (1985) score redefined video game music. With under three minutes of music, Kondo put to rest an era of bleeps and bleeps-the sterile products of a lab environment-replacing it with one in which game sounds constituted a legitimate form of artistic expression. Andrew Schartmann takes us through the various external factors (e.g., the video game crash of 1983, Nintendo's marketing tactics) that coalesced into a ripe environment in which Kondo's musical experiments could thrive. He then delves into the music itself, searching for reasons why our hearts still dance to the "primitive" 8-bit tunes of a bygone era. What musical features are responsible for Kondo's distinct "Mario sound"? How do the different themes underscore the vastness of Princess Peach's Mushroom Kingdom? And in what ways do the game's sound effects resonate with our physical experience of the world? These and other questions are explored within, through the lens of Kondo's compositional philosophy-one that would influence an entire generation of video game composers. As Kondo himself stated, "we [at Nintendo] were trying to do something that had never been done before." In this book, Schartmann shows his readers how Kondo and his team not just succeeded, but heralded in a new era of video games.

"Best in Show" Award at Winter NAMM 2012 presented by Music Inc. magazine.

**Ludovico Einaudi: Nightbook** - Ludovico Einaudi 2009-10-15

Italian-born Ludovico Einaudi's Piano music has struck a chord with audiences across the world, and his distinctive meditative style has confirmed his place in the music industry. His albums have soared high in the classical charts and his recitals have been sell-outs. This is Ludovico Einaudi's new project, Nightbook - a musical meditation on the transition between light and darkness, the known and the unknown.

Expressive and with a more open compositional structure, sonic colours are created through the close blending of the Piano with the Strings and percussion and from the use of electronics which amplifies the sound of the Piano, projecting it like a shadow in all directions. The project grew out of the ideas and "musical sketches" that Einaudi jotted down in a notebook whilst on tour around the world. Einaudi describes the project as A night-time landscape. A garden faintly visible under the dull glow of the night sky. A few stars dotting the darkness above, shadows of the trees all around. Light shining from a window behind me. What I can see is familiar, but it seems alien at the same time. It's like a dream - anything may happen. Selections of expressive and contemplative songs from the album have all been specially transcribed for solo Piano.

**Fight Song Sheet Music** - Rachel Platten 2015-06-01

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

*Appalachian Fiddle Music* - Drew Beisswenger 2021-02-18

Appalachian fiddle music, based on the musical traditions of the people who settled in the mountainous regions of the southeastern United States, is widely-known and played throughout North America and parts of Europe because of its complex rhythms, its catchy melodies, and its often-ancient-sounding stylistic qualities. The authors explore the lives and music of 43 of the classic Appalachian fiddlers who were active during the first half of the 20th century. Some of them were recorded commercially in the 1920s, such as Gid Tanner, Fiddlin' John Carson, and Charlie Bowman. Some were recorded by folklorists from the Library of Congress, such as William Stepp, Emmett Lundy, and Marion Reece. Others were recorded informally by family members and visitors, such as John Salyer, Emma Lee Dickerson, and Manco Sneed. All of them played

throughout most of their lives and influenced the growth and stylistic elements of fiddle music in their regions. Each fiddler has been given a chapter with a biography, several tune transcriptions, and tune histories. To show the richness of the music, the authors make a special effort to show the musical elements in detail, but also acknowledge that nothing can take the place of listening. Many of the classic recordings used in this book can be found on the web, allowing you to hear and read the music together.

**Wake Me Up! Sheet Music** - Avicii 2013-09-01

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

**Roll Me Up and Smoke Me When I Die** - Willie Nelson 2012-11-13

In *Roll Me Up and Smoke Me When I Die*, Willie Nelson muses about his greatest influences and the things that are most important to him, and celebrates the family, friends, and colleagues who have blessed his remarkable journey. Willie riffs on everything, from music to poker, Texas to Nashville, and more. He shares the outlaw wisdom he has acquired over the course of eight decades, along with favorite jokes and insights from family, bandmates, and close friends. Rare family pictures, beautiful artwork created by his son, Micah Nelson, and lyrics to classic songs punctuate these charming and poignant memories. A road journal written in Willie Nelson's inimitable, homespun voice and a fitting tribute to America's greatest traveling bard, *Roll Me Up and Smoke Me When I Die*—introduced by another favorite son of Texas, Kinky Friedman—is a deeply personal look into the heart and soul of a unique man and one of the greatest artists of our time, a songwriter and performer whose legacy will endure for generations to come.

**The Greatest Video Game Music** - Hal Leonard Corp. 2018-12-01

After decades of anticipation, Alfred is proud to release the officially licensed, collectible sheet music companion folios to the Super Mario Bros.(tm) video game series. The 34 arrangements in this intermediate-advanced piano edition are note-for-note transcriptions of instantly recognizable melodies beloved by generations of gamers around the globe. From Koji Kondo's iconic "Super Mario Bros.(tm) Ground

Background Music" to the New Super Mario Bros.(tm) Wii(tm) themes, the dozens of pieces in this book represent two and a half decades of Nintendo(R) video game favorites. Adding to the fun, graphics from the corresponding games grace each page of the sheet music. Impress friends, family, and audiences of all ages by playing from this magnificent collection, which makes a great gift for every pianist. **Tonalization** - Dr. Shinichi Suzuki 1985

Dr. Suzuki questioned why all vocalists vocalize every day to improve their voices, but instrumentalists do not do so every day with their instruments. He believes that on any instrument, one needs to practice to make a more beautiful tone. First he talks about playing a beautiful resonant tone with the bow while plucking the string with a finger. When a pizzicato is played, the resonance goes on for a long time. Students should listen to that resonance and play the same kind of clear beautiful sound. He talks about how to make a difference in the tone by using a different bow speed, how to practice to find the resonance point, how to change the weight of the arm on the bow to produce a different kind of tone, and how to change tone color. This book includes all of Dr. Suzuki's basic ideas about tone.

**Shape of You Sheet Music** - Ed Sheeran 2017-06-01

(Easy Piano). An easy piano arrangement of the Ed Sheeran hit single complete with lyrics.
