Granted, they often pay with their souls, but why get technical? But Seattle succubus Georgina Kincaid's life is far less exotic. At least there's her day job at a local bookstore—free books; all the white chocolate mochas she can drink; and easy access to bestselling, sexy writer, Seth Mortensen, aka He Whom She Would Give Anything to Touch but Can't. But dreaming about Seth will have to wait. Something wicked is at work in Seattle's demon underground. And for once, all of her hot charms and drop-dead one-liners won't help because Georgina's about to discover there are some creatures out there that both heaven and hell want to deny... There might be something to this new life of mine. Being mated to Maddox and bonded to Alfred isn't so bad. Rogue is stealing his way into my heart and Fin already had part of it. If I were to be totally honest, I think they've all taken pieces of my soul. Choosing them was the scariest thing I'd ever done, until now. Someone has stolen my dragon and my druid. They're locked in the last place I'd ever want to see again. But I'll do it. I'll walk right into the belly of the beast, confront the warden and anyone else who gets in my way. Yeah, sounds a lot braver than I am. But they wouldn't leave me there and I won't leave them. Even if Rogue and Alfred forbade me from going. Pfft. What's the worst that could happen? *Please note this is a paranormal prison reverse harem and will feature aggressively snarky characters, a bit of twisted humor and a lot of passion. So come join an amazing group of authors in Nightmare Penitentiary, a place you'll never want to escape from. The author suggests you should always read the forward in her books. With his dominion over both the Human and Demon Realms and his hundreds-strong harem, he is truly the most powerful protagonist...in a trashy webnovel series! At least, that's what Shen Yuan believes as he finishes reading the final chapter in Proud Immortal Demon Way. But when a bout of rage leads to his sudden death, Shen

Yuan is reborn into the world of the novel in the body of Shen Qingqiu—the beautiful but cruel teacher of a young Luo Binghe. While Shen Qingqiu may have the incredible power of a cultivator, he is destined to be horrifically punished for crimes against the protagonist. The new Shen Qingqiu now has only one course of action: get into Luo Binghe's good graces before the young man's rise to power or suffer the awful fate of a true scum villain! This Chinese fantasy (xianxia) comedy built around the romanticized love between two men (danmei) has been translated into numerous languages and inspired the animated series Scumbag System, which amassed millions of streaming views—including the English version on YouTube through Tencent Video. As the first novel series by Mo Xiang Tong Xiu to spur a global multimedia franchise, this incredibly fun tale led the way to her future blockbusters in the danmei genre: Grandmaster of Demonic Cultivation and Heaven Official's Blessing. The Seven Seas English-language edition will include exclusive, all-new covers and interior illustrations from Xiao Tong Kong (Velinxi) and feature a translation by Faelicy (faelicy) & Lily (lily_och0).

Scorch - Lisa Carlisle 2019-10-29

It's every demon for herself. After I escape hunters and arrive in good Ol' Witch City, Salem, Massachusetts, I head to a gothic club to feed. But, the dumb-as-rock gargoyle bouncers kick me out. They've confused my scent with another demon's. But, I thought I was the last of my kind. Not good. We can't both hunt in the same territory, especially with his dangerous cavalier style. I track the incubus, but when I find him, Daron's irresistibly devilish nature makes me rethink my plan. For just one night... Will he want to play? Or consider me prey? One night. One encounter. It won't change anything, right? Only it does, and it's catastrophic. We've accidentally bonded. Which means I crave him. Only him. And all the time. A sucky curse for a succubus. How can we undo the damage without succumbing to the call—or worse, starving? SCORCHED is a standalone enemies to lovers romance in Lisa Carlisle's Underground Encounters series. Misunderstood heroes, forbidden romance, and fated mates await you! Enter Vamps, where you'll meet shifters, vampires, witches, gargoyles, and more. Escape a steamy world of paranormal romance today!

Succubus Heat - Richelle Mead 2015-08-25

In this urban fantasy by a #1 New York Times-bestselling author, a powerless succubus must save the supernatural community of Seattle. Georgina Kincaid has been a bad, bad succubus—which should be a good thing. But lately, thanks to her foul mood over breaking up with bestselling writer Seth Mortensen, she's been so wicked that Seattle's über-demon Jerome, decides to “outsource” Georgina to a rival—and have her spy for him in the process. Being exiled to the frozen north—okay, Vancouver—and leaving Seth in the cozy clutches of his new girlfriend is unpleasant enough. Then Jerome is kidnapped, and all immortals under his control mysteriously lose their powers. One bright spot: with her life-sucking ability gone, there's nothing to keep Georgina from getting down and dirty with Seth—nothing apart from his girlfriend that is. Now, as the supernatural population starts turning on itself, a newly mortal Georgina must rescue her boss and figure out who's been playing them—or all hell will break loose... Praise for Richelle Mead and her Succubus series “Richelle Mead delivers sexy action and tongue-in-cheek hellish humor—if damnation is this fun, sign me up!”—Lilith Saintcrow, author of *The Devil's Right Hand* “This is one of those series I'm going to keep following.”—Jim Butcher, New York Times bestselling author of the Harry Dresden series “The mix of supernatural mystery, romance, and reluctant succubus is great fun.”—Locus “Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal, accented with eroticism.”—Booklist

The Monsters Know What They're Doing - Keith Ammann 2019-10-29

From the creator of the popular blog *The Monsters Know What They're Doing* comes a compilation of villainous battle plans for *Dungeon Masters*. In the course of a *Dungeons & Dragons* game, a *Dungeon Master* has to make one decision after another in response to player behavior—and the better the players, the more unpredictable their behavior! It's easy for even an experienced DM to get bogged down in on-the-spot decision-making or to let combat devolve into a boring slugfest, with enemies running directly at the player characters and biting, bashing, and slashing away. In *The Monsters Know What They're Doing*, Keith Ammann lightens the DM's burden by helping you understand your monsters' abilities and develop battle plans before your fifth edition D&D game session begins. Just as soldiers don't whip out their field manuals for the first time when they're already under fire, a DM shouldn't wait until the PCs have just encountered a dozen bullywugs to figure out how they advance, fight, and retreat. Easy to

read and apply, The Monsters Know What They're Doing is essential reading for every DM.
