The Luck of Friendship: The Letters of Tennessee Williams and James Laughlin - James Laughlin 2018-03-13

The chronicle of Tennessee Williams and James Laughlin's unlikely yet enduring literary and personal relationship. In December 1942, two guests at a Lincoln Kirstein mixer bonded over their shared love of Hart Crane's poetry. One of them was James Laughlin, the founder of a small publishing company called New Directions, which he had begun only seven years earlier as a sophomore at Harvard. The other was a young playwright named Thomas Lanier Williams, or "Tennessee," as he had just started to call himself. A little more than a week after that first encounter, Tennessee sent a letter to Jay—as he always addressed Laughlin in writing—expressing a desire to get together for an informal discussion of some of Tennessee's poetry. "I promise you it would be extremely simple," he wrote, "and we would inevitably part on good terms even if you advised me to devote myself exclusively to the theatre for the rest of my life." So began a deep friendship that would last for forty-one years, through critical acclaim and rejection, commercial success and failure, manic highs, bouts of depression, and serious and not-so-serious liaisons. Williams called Laughlin his "literary conscience," and New Directions serves to this day as Williams's publisher, not only for The Glass Menagerie and his other celebrated plays but for his highly acclaimed novels, short stories, and volumes of poetry as well. Their story provides a window into the literary history of the mid-twentieth century and reveals the struggles of a great artist, supported in his endeavors by the publisher he considered a true friend.

The Mutilated - Tennessee Williams 1967-10

"The Mutilated, as described in Variety, "is about a pair of alternately friendly and quarrelsome floozies in a fleabag hotel in the French quarter of New Orleans in the 1930s. Margaret Leighton plays the one who has inherited an income just sufficient to give her pretensions and keep her supplied with the wine. Kate Reid plays a raucous hag just out of jail on a shoplifting charge. The would-be genteel lady is morbidly sensitive about being physically mutilated, having had a breast removed. Her harpy companion, Williams seems to be saying, is spiritually deformed, having suffered the cruelty of fellow humans. The implication is that all of us are maimed in some form or other. The play is written as a sort of Christmas parable, with a chorus of incidental characters singing hymns resembling carols ..."--Back cover.

The Theatre of Tennessee Williams - Tennessee Williams 1971

Volume III of the series includes *Cat on a Hot Tin Roof* (1955), *Orpheus Descending* (1957), and *Suddenly Last Summer* (1958). The first, which won both the Pulitzer Prize and Drama Critics Award, has proved every bit as successful as William's earlier *A Streetcar Named Desire*. The other two plays, though different in kind, both have something of the quality of Greek tragedy in 20th-century settings, bringing about catharsis through ritual death.

A House Not Meant to Stand: A Gothic Comedy - Tennessee Williams 2008-04-17

The spellbinding last full-length play produced during the author's lifetime is now published for the first time. Christmas 1982: Cornelius and Bella McCorkle of Pascagoula, Mississippi, return home one midnight in a thunderstorm from the Memphis funeral of their older son to a house and a life literally falling apart--daughter Joanie is in an insane asylum and their younger son Charlie is upstairs having sex with his pregnant, holy-roller girlfriend as the McCorkles enter. Cornelius, who has political ambitions and a litany of health problems, is trying to find a large amount of moonshine money his gentle wife Bella has hidden somewhere in their collapsing house, but his noisy efforts are disrupted by a stream of remarkable characters, both living and dead. While Williams often used drama to convey hope and desperation in human hearts, it was through this dark, expressionistic comedy, which he called a "Southern gothic spook sonata," that he was best able to chronicle his vision of the fragile state of our world.

Mister Paradise and Other One-Act Plays - Tennessee Williams 2005-04-25

Thirteen previously unpublished short plays now available for the first time. Tennessee Williams had a distinct talent for writing short plays and, not surprisingly, this remarkable new collection of never-before-published one-acts includes some of his most poignant and hilarious characters: the indefatigable, witty and tough drag queens of *And Tell Sad Stories of the Deaths of Queens...*; the strange little man behind the nom de plume Mister Paradise; and the extravagant mistress who cheats on her married man in *The Pink Bedroom*. Most were written in the 1930s and early 1940s when Williams was already flexing his theatrical imagination. Chosen from over seventy unpublished one-acts, these are some of Williams's finest; several have premiered recently at The Hartford Stage Co., The Kennedy Center, the Manhattan Theatre Club and the Tennessee Williams/New Orleans Literary Festival. Included in this volume: *These Are the Stairs You Got to Watch Mister Paradise* *The Palooka Escape* *Why Do You Smoke So Much, Lily?* *Summer At the Lake* *The Big Game* *The Pink Bedroom* *The Fat Man's Wife* *Thank You, Kind Spirit* *The Municipal Abattoir* *Adam and Eve on a Ferry* *And Tell Sad Stories of the Deaths of Queens...* Long associated with Williams, acclaimed stage and film actors Eli Wallach and Anne Jackson provide a fresh and challenging foreword for actors, directors, and readers.

Summer and Smoke, Etc - Tennessee Williams 1952

Candles to the Sun - Dan Isaac 2004-09-17

This early play about coal miners struggling to improve their lives helped establish a young Tennessee Williams as a powerful new voice in American theater. The first full-length play by novice playwright Thomas Lanier Williams, *Candles to the Sun* opened on Thursday, March 18, 1937 and received rave reviews in the local press. The Mumpers, a semi-professional and socially aware theater troupe in St. Louis, produced the play, and the combination of director Willard Holland's theater of social protest and the young Williams' talent for the dramatic depiction of poverty and its consequences proved irresistible to an audience eager for relevant social content. Set in the Red Hills coal mining section of Alabama, *Candles to the Sun* deals with both the attempts of the miners to unionize and the bleak lives of their families. Colvin McPherson of the St. Louis Post-Dispatch wrote that "Williams, a 25-year-old Washington University senior, is revealed not only as a writer of unusual promise but one of considerable technical skill right now His writing is rarely unsteady and his play has an emotional unity and robustness. It stands on its own feet. Its characters are genuine, its dialogue of a type that must have been uttered in the author's presence, its appeal in the theater widespread." As it turns out, Tom Williams had never met a miner in his young life. As he did for another early Williams play, *Spring Storm*, Dan Isaac uses his directorial skills to prepare a text of *Candles to the Sun* that is faithful to the 1937 production while providing readers (and actors) with a social and theatrical context. William Jay Smith, former Poet Laureate of the United States and St. Louis friend of the playwright, has contributed an illuminating foreword that touches not only on his memories of the young Tom Williams and the original production of *Candles*, but also on the poetic nature of Williams' writing as reflected in this play.

Not about Nightingales - Tennessee Williams 1999

Never produced until this year (1998), *NOT ABOUT NIGHTINGALES* (1938), portrays a shocking prison scandal in which convicts leading a hunger strike in prison were locked in a steam-heated cell and roasted to death. Williams himself later said that he had never written anything to compare with it in violence and horror. The play indelibly presages the great plays he was later to write. Copyright © Libri GmbH. A Stolen Paradise - Howard Johns 2018-02-09

A Stolen Paradise is a controversial new book about the making of *The Night of the Iguana*. The non-fiction narrative follows the history of this modern classic from its creation as an acclaimed stage play by Tennessee Williams, regarded as the greatest playwright of the twentieth century, to its adaptation as an Oscar-winning movie directed by the legendary filmmaker John Huston. Sharing the spotlight in this riveting saga are two international megastars whose love affair dominated news coverage for much of that millennium: Richard Burton and Elizabeth Taylor, together with the highly combustible superstar Ava Gardner, and a third equally impressive star, Deborah Kerr, who lived side-by-side for three months in the Mexican jungle during the film's production. Everyone involved hoped they would benefit from the movie's success. But what was the personal and professional cost to each of them? Through extensive archival research and firsthand interviews, which uncover many previously unknown facts, Howard Johns brings to life the people and events surrounding *The Night of the Iguana* and its transformative effect on Puerto Vallarta - once a small fishing village, now an international tourist destination. It was there, in the isolated jungles of Mismaloya, that the movie had its greatest impact, introducing the native inhabitants, who had no previous contact with the outside world, to a modern way of life, the effects of which are still being felt today. This richly detailed account of movie making is more than an exposé of Hollywood or a sentimental wallow in nostalgia; it is also a time capsule of world events. *A Stolen Paradise* combines elements of American pop culture, Mexican history and Aztec mythology to tell a prescient saga of human conquest and its surprising, often tragic, consequences.

Tennessee Williams - Philip C. Kolin 1998

The plays of Tennessee Williams are some of the greatest triumphs of the American theatre. If Williams is not the most important American playwright, he is surely one of two or three of the most celebrated, rivaled only by Eugene O'Neill and Arthur Miller. But in a career that spanned almost five decades, he also produced two collections of poetry, two novels, four collections of stories, and scores of essays. This reference book offers a thorough review of the vast body of research on his works, along with a history of performance. The volume contains chapters devoted to particular works or clusters of works, and each is written by an expert contributor. Each chapter includes a discussion of the biographical context of the work or group of works; a survey of the bibliographic history; a summary of major critical approaches, which looks at themes, characters, symbols, and plots; a consideration of the major critical problems posed by the work; a review of chief productions and film and television versions; a concluding overview; and a bibliography of secondary sources.
