Surrender, New York - Caleb Carr 2016
"Many dedicated years working for the NYPD didn't mean much when criminal psychologist Trajan Jones was fired from the force. Now living in exile on a dairy farm in upstate New York, Trajan is reduced to teaching an online course in criminal investigation, along with his

partner Mike Li, an expert in DNA evidence. But Trajan is called back to duty when a friend in county law enforcement consults him on the suspicious death of several local kids. They're called "throwaways" because their parents have abandoned them, and the official response to their deaths seems equally callous. Trajan and Mike,

ruination? Marcus, Lord Wyndam has inherited a decrepit castle and a tainted title. During his desperate search for evidence to silence whispers of treason against his father, he stumbles across a woman holding a deadly stiletto over a body. Is she murderer or pawn? What he knows for sure is that she is his only link to the truth. With enemies beating down the door, he spirits her from the scene before she is discovered with blood on her hands—and her pretty white debutante dress—to unearth her part in the grisly plot. Delilah proves herself to be a woman of wit and courage as well as beauty, and as the only person who might be able to identify the man behind the plot that ruined his father, Marcus must keep her close. Even if he has to ruin her to do it. Warning: Contains a lady who longs for adventure, a man of honor who longs for respectability, and a head long rush through London's ballrooms on the hunt for both. The Shackled Mind of the Jehovah's Witness - Raymond Faircloth 2019-10-17
Generally, Jehovah's Witnesses (JWs) are very pleasant to meet as they call at your home or stand by their literature advertising carts on high streets of cities and major towns. Furthermore, if you should decide to attend one of their meetings you will receive a very warm welcome. However, although, because of certain JW teachings the Churches do not consider them to be Christians, there are other reasons for people to be wary about getting involved with JWs. This is because all individual Jehovah's Witnesses are directed and under the control by a very powerful organization, namely the Watchtower Bible and Tract Society with its Governing Body and which decides what JWs must believe and the way they must act in various circumstances. For instance, a major well known doctrine is that of JWs refusing to receive blood transfusions in cases of medical emergency as well as

the same refusal for their children. In fact, if such a tragedy occurs the individual JW will be monitored by certain Watchtower "elders" so that the individual complies with the Watchtower's policy. If they do not comply they are likely to be disfellowshipped and then be shunned by other JWs including their JW family members. This disfellowshipping is usually the result of an individual's being brought before a very secretive three-man court called a judicial committee where the accused person is not allowed to have any personal witnesses or even to bring or take notes. Furthermore, there is currently a sweeping under the carpet of the details of the Watchtower's general failure to report to the relevant secular authorities the many cases of paedophile activity by current JWs, including some elders. Because of the misapplication of a certain Bible text the victims of such paedophile unwanted attention are disbelieved by the bodies of elders, often then become disillusioned with the

religion and so cease to be associated with the Organization. The final result for them is that they also are then shunned by JW family members and so-called-friends. All of this is very well documented and especially so after the Australian Royal Commission investigated this issue and found the Watchtower Society to have seriously failed these victims and leaving them in dire circumstances. So major questions here are: Should any organization have such power over its membership? Should the individual JW allow the Watchtower to act in such an authoritarian way over their interests, especially when such authoritarianism is not for the purpose of benefitting the average JW but only to build up the Watchtower's finances and property portfolio and its further control over JWs. This book looks at the rather unsavoury basic history of the Watchtower Society and shows that quite a number of its policies imposed upon its members to not actually have a

Paul E. Zigo 2019-09-03

Witness the end of World War II in Europe like never before with this insightful account filled with images taken by Gen. Dwight D. Eisenhower's wartime photographer, Al Meserlin, and analysis from one of the war's foremost scholars. Paul E. Zigo, a thirty-year Army veteran who retired as a colonel and the founder and director of the World War II Era Studies Institute, takes readers to the schoolhouse turned Allied headquarters in Rheims, France, where Nazi Germany unconditionally surrendered May 7, 1945. Nothing less than unconditional surrender was acceptable to the Allies, which U.S. President Franklin D. Roosevelt first proclaimed at a press conference in January 1943 following an Anglo-American summit meeting in Casablanca, French Morocco. Roosevelt and British Prime

Minister Winston Churchill vowed to never accept any armistice like that which led to the signing of the failed Versailles Peace Treaty after World War I-- and Soviet Union Premier Joseph Stalin agreed in absentia. Despite defeat after defeat, Nazi Germany leader Adolf Hitler insisted on fighting, and others continued to resist even after his suicide April 30, 1945. Discover how Nazi Germany finally surrendered with this narrative filled with powerful images that put history in context.ered with this narrative filled with powerful images that put history in context.

Emma's Surrender - Amelia Smarts 2017-01-01

When twenty-year-old Emma Brookstone arrives in the town of Bannack, Montana, she seeks out the local marshal, intending to enlist his help in uncovering the truth regarding her father's murder two years earlier. Upon meeting the marshal, however, she is shocked and dismayed to discover that he is none other than the man who gunned her father down that fateful night. Though Clive Brookstone was an evil man who needed killing, the knowledge that he left a young woman orphaned tore at Nathan Haskin's conscience from the moment he pulled the trigger, and he has secretly provided for Emma's needs since that day. Certain that

hearing about her father's legacy of lawless violence would break her heart, he concealed it from her, but now that she has returned to Bannack her persistence eventually prompts him to tell her the full story. To make matters more complicated, Nathan finds his desire to protect Emma quickly growing into a powerful need to tame and possess her, and when her foolish behavior puts her safety at risk he doesn't hesitate to take her in hand and spank her soundly. His stern chastisement leaves her furious yet helplessly aroused, and it isn't long before he claims her hard and thoroughly. In her heart, Emma knows what Nathan tells her is true—that her father's death was just—but writhing in ecstasy as she is utterly dominated by the man who killed him fills her with shame nonetheless, and she does her best to deny her lust for the handsome marshal. Will the day ever come when she can put aside the past and surrender herself fully to the man she once hated?

The Surrender Experiment - Michael A. Singer 2016-09-22
Michael A. Singer, author of *The Untethered Soul*, tells the extraordinary story of what happened when, after a deep spiritual awakening, he decided to let go of his personal preferences and simply let life call the shots. As Singer takes you on this great experiment and journey into life's perfection, the events that transpire will both challenge your deepest assumptions about life and inspire you to look at your own life in a radically different way. Spirituality is meant to bring about harmony and peace. But the diversity of our philosophies, beliefs, concepts, and views about the soul often

leads to confusion. To reconcile the noise that clouds spirituality, Michael Singer combines accounts of his own life journey to enlightenment - from his years as a hippie-loner to his success as a computer program engineer to his work in spiritual and humanitarian efforts - with lessons on how to put aside conflicting beliefs, let go of worries, and transform misdirected desires. Singer provides a road map to a new way of living not in the moment, but to exist in a state of perpetual happiness.

Surrender the Wind - Rita Gerlach 2010-03-01

Surrender the Wind is the story of Seth Braxton, a patriot of the American Revolution, who unexpectedly inherits his loyalist grandfather's estate in England. Seth is torn between the land he fought for and the prospect of reuniting with his sister Caroline, who was a motherless child taken to England at the onset of the war. With no intention of staying permanently, Seth arrives to find his sister grieving over the death of her young son. In the midst of such tragedy, Seth meets Juleah, the daughter of an eccentric landed gentleman. Her

independent spirit and gentle soul steal Seth's heart. After a brief courtship, they marry and she takes her place as the lady of Ten Width Manor, enraging the man who once sought her hand and schemed to make Ten Width his own. From the Virginia wilderness to the dark halls of an isolated English estate, Seth and his beloved Juleah inherit more than an ancestral home. They uncover a sinister plot that leads to murder, abduction, and betrayal--an ominous threat to their new life, love, and faith.

Jinnah, Pakistan and Islamic Identity - Akbar Ahmed 2005-08-12

Every generation needs to reinterpret its great men of the past. Akbar Ahmed, by revealing Jinnah's human face alongside his heroic achievement, both makes this statesman accessible to the current age and renders his greatness even clearer than before. Four men shaped the end of British rule in India: Nehru, Gandhi, Mountbatten and Jinnah. We know a great deal about the first three, but

Mohammed Ali Jinnah, the founder of Pakistan, has mostly either been ignored or, in the case of Richard Attenborough's hugely successful film about Gandhi, portrayed as a cold megalomaniac, bent on the bloody partition of India. Akbar Ahmed's major study redresses the balance. Drawing on history, semiotics and cultural anthropology as well as more conventional biographical techniques, Akbar S. Ahmad presents a rounded picture of the man and shows his relevance as contemporary Islam debates alternative forms of political leadership in a world dominated (at least in the Western media) by figures like Colonel Gadaffi and Saddam Hussein.

Letting Go - David R. Hawkins, M.D., Ph.D. 2014-01-15

Letting Go describes a simple and effective means by which to let go of the obstacles to Enlightenment and become free of negativity. During the many decades of the author's clinical psychiatric practice, the primary aim was to seek the most effective ways to relieve human suffering in all of its many forms. The inner mechanism of surrender was found to be of great practical benefit and is described in this book. Dr Hawkins's previous books focused on advanced states of awareness and Enlightenment. Over the years, thousands of students had asked for a practical technique by which to remove the inner blocks to happiness, love, joy,

success, health and, ultimately, Enlightenment. This book provides a mechanism for letting go of those blocks. The mechanism of surrender that Dr Hawkins describes can be done in the midst of everyday life. The book is equally useful for all dimensions of human life: physical health, creativity, financial success, emotional healing, vocational fulfillment, relationships, sexuality and spiritual growth. It is an invaluable resource for all professionals who work in the areas of mental health, psychology, medicine, self-help, addiction recovery and spiritual development.

The Untethered Soul (EasyRead Super Large 18pt Edition) - Michael A. Singer
2009-10-06

The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner.

Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused,

you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

—Bookpage A story of survival and war, love and madness, loyalty and forgiveness, Cocktail Hour Under the Tree of Forgetfulness is an intimate exploration of Fuller’s parents, whom readers first met in Don't Let's Go to the Dogs Tonight, and of the price of being possessed by Africa’s uncompromising, fertile, death-dealing land. We follow Tim and Nicola Fuller hopscotching the continent, restlessly trying to establish a home. War, hardship, and tragedy follow the family even as Nicola fights to hold on to her children, her land, her sanity. But just when it seems that Nicola has been broken by the continent she loves, it is the African earth that revives and nurtures her. Cocktail Hour Under the Tree of Forgetfulness is Fuller at her very best. Alexandra Fuller is the author of several memoirs: Travel Light, Move Fast, Leaving Before the Rains Come and Don't Let's Go to the Dogs Tonight.

Surrender, Dorothy - Meg Wolitzer 2010-08-24

From the New York Times bestselling author Meg Wolitzer, a “devastatingly on target” (Elle) novel about a young woman's accidental death and its effect on her family and friends. For years, Sara Swerdlow was transported by an unfettered sense of immortality. Floating along on loving friendships and the adoration of her mother, Natalie, Sara's notion of death was entirely alien to her existence. But when a summer night's drive out for ice cream ends in tragedy, thirty-year-old Sara—“held aloft and shimmering for years”—finally lands. Mining the intricate relationship between love and mourning, acclaimed novelist Meg Wolitzer explores a single, overriding question: who, finally, “owns” the excruciating loss of this young woman—her mother or her closest friends? Depicting the aftermath of Sara's shocking death with piercing humor and shattering realism, Surrender, Dorothy is the luminously thoughtful, deeply moving exploration of what it is to be a mother and a

Witness to Surrender - Şiddiq Sâlik 1997

Siddiq Salik spent 1971 in Dhaka as a uniquely privileged observer and participant in the political and human drama that culminated in the Indo-Pakistan war and the creation of Bangladesh. Salik was taken prisoner by the Indian forces after the fall of Dhaka and remained a prisoner of war until 1973. His was the first detailed account of the war to appear from Pakistan after the separation of the eastern wing. This authoritative, dispassionate narrative, firmly anchored in fact, sets the scene with a comprehensive overview of the political turbulence of the period and goes on to offer a detailed account of the war.

Leaving the Witness - Amber Scolah 2020-06-02

"A fascinating glimpse into the consciousness of being an outsider in every possible way, and what it takes to find your path into the life you'd like to lead."--Nylon A riveting memoir

of losing faith and finding freedom while a covert missionary in one of the world's most restrictive countries. A third-generation Jehovah's Witness, Amber Scolah had devoted her life to sounding God's warning of impending Armageddon. She volunteered to take the message to China, where the preaching she did was illegal and could result in her expulsion or worse. Here, she had some distance from her community for the first time. Immersion in a foreign language and culture--and a whole new way of thinking--turned her world upside down, and eventually led her to lose all that she had been sure was true. As a proselytizer in Shanghai, using fake names and secret codes to evade the authorities' notice, Scolah discreetly looked for targets in public parks and stores. To support herself, she found work at a Chinese language learning podcast, hiding her real purpose from her coworkers. Now with a creative outlet, getting to know worldly

people for the first time, she began to understand that there were other ways of seeing the world and living a fulfilling life. When one of these relationships became an "escape hatch," Scolah's loss of faith culminated in her own personal apocalypse, the only kind of ending possible for a Jehovah's Witness. Shunned by family and friends as an apostate, Scolah was alone in Shanghai and thrown into a world she had only known from the periphery--with no education or support system. A coming of age story of a woman already in her thirties, this unforgettable memoir examines what it's like to start one's life over again with an entirely new identity. It follows Scolah to New York City, where a personal tragedy forces her to look for new ways to find meaning in the absence of religion. With compelling, spare prose, Leaving the Witness traces the bittersweet process of starting over, when everything one's life was built around is gone.

No Surrender - Hiroo Onoda

2013-12-04

In the spring of 1974, Second Lieutenant Hiroo Onoda of the Japanese army made world headlines when he emerged from the Philippine jungle after a thirty-year ordeal. Hunted in turn by American troops, the Philippine police, hostile islanders, and successive Japanese search parties, Onoda had skillfully outmaneuvered all his pursuers, convinced that World War II was still being fought and that one day his fellow soldiers would return victorious. This account of those years is an epic tale of the will to survive that offers a rare glimpse of man's invincible spirit, resourcefulness, and ingenuity. A hero to his people, Onoda wrote down his experiences soon after his return to civilization. This book was translated into English the following year and has enjoyed an approving audience ever since.

The beginning of the emotionally charged and highly erotic contemporary romance Surrender trilogy, in which love and trust are the most dangerous games of all... With a dark past that would have shattered most people, Evelyn "Scout" Keats is doing what no one in her bleak world thinks possible--getting off the streets and leaving her impoverished life behind. She's a new maid at the luxurious Patras Hotel and aims to keep her job no matter what. But that doesn't mean she's going to sacrifice her dignity, or let anyone into her heart. The risk of losing either is just too great. When hotel tycoon Lucian Patras discovers Evelyn in a compromising position, he uses everything at his disposal to

seduce her--a proposition that both surprises and frightens her. Ignorant to her true circumstances, Lucian relentlessly pursues Scout as a prize to be won. But he is soon given an unforgettable lesson in love and sacrifice when he learns how far Scout has gone to gain her independence and discovers that there are some things money can never buy. The Overcomers - Richard Wurmbbrand 2006-07

You won't find perfect saints in this book, but those just like you in many ways. These are true stories of ordinary people--sometimes sinful, sometimes saintly, often frightened, yet displaying great courage--some who failed, many who overcame in the face of surrender.
