[Strive for a 5](#) - Louise Forsyth 2009-05-01

This guide gives students the tools and practice they need to succeed in the AP European history course and on the exam. Special features include a diagnostic test to assess prior knowledge, strategies and tips for taking the exam, instruction and practice for interpreting documents and images, and practice questions and full-length tests. All of the types of questions found on the exam — including multiple-choice, free-response, and Document-Based Questions — are included, along with answers that are cross-referenced to A History of Western Society. This allows students to work independently to review key concepts and reinforce the material with which they need the most help.

Nicomachean Ethics - Aristotle 2012-03-06

Enduringly profound treatise, whose lasting effect on Western philosophy continues to resonate. Aristotle identifies the goal of life as happiness and discusses its attainment through the contemplation of philosophic truth.

The Giver - Lois Lowry 2014

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection

leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

[Barron's AP Psychology with CD-ROM](#) - Robert McEntarffer 2010-02-01

This updated manual presents one diagnostic test and two full-length practice tests that reflect the actual AP Psychology Exam in length, subject matter, and difficulty. All test questions are answered and explained. It also provides extensive subject review covering all test topics. Topics reviewed include research methods, the biological basis of behavior, sensation and perception, states of consciousness, learning, cognition, personality, abnormal psychology, and treatment of disorders. This manual also presents an overview of the test, extra multiple-choice practice questions, test-taking tips, and an analysis of the test's essay question with a sample essay. Enclosed with the manual is a CD-ROM that presents two more practice tests with answers, explanations, and automatic scoring, as well as extensive subject review.
