**The Real Mother Goose** - Selena Kitt 2009-03-09

~\*~\*~2010 EPIC AWARD FINALIST!~\*~\*~ Settle yourself in for a wicked bed time story, a hot, wild ride through nursery rhymes like you've never heard them before. Set in a fantastical world where the privileged few own and raise sex slaves like beloved pets, Mother herself is the star of the show, wielding a riding crop and taking care of and training her young charges with a firm and skillful hand. But where has Father Goose wandered off to, and who will take Mother in hand when she ventures too far?-----Warnings: This title contains erotic situations, graphic language, sex, spanking, elements of bdsm, and a perspective on nursery rhymes you'll never forget!-----EXCERPT:"Peep!" The voice shook the room and the startled girl looked up as Mother came in. "Do you know where your sheep are now?" "No, Mother." The girl looked up from her position, kneeling on the floor, her blue eyes wide. "I penned them before I left, I swear it." Mother Goose came toward her, the high heels of her soft boots clicking on the floor. She squatted down before Peep, whose hands were bound behind her to her feet with pink satin sashes. "You are a pretty little one," Mother said, lifting the girl's chin and studying her face. Mother's eyes moved over the girl's body, the pink and white corset drawn tight, her blonde curls spilling over her shoulders, partially hiding Peep's rosy little nipples. "Sometimes I think you're just playing dumb." "No, Mother," Peep implored, shaking her

head. "I penned them, I promise you." "Is that so?" Mother asked, standing again. Peep looked up Mother's long legs, encased in black fishnet stockings and garters, the dark triangle between her legs exposed, as it always was, for easy access. Mother had taken to wearing black since Father had crossed over, and her mood was ever changeable, but lately she seemed often cross and hard to please. Mother tapped her toe in front of Peep's knee, folding her arms over her ample breasts that were pushed up high in her black corset, but covered with the sheer, lace peignoir that she always wore, unbuttoned to the floor. "Mother, please," Peep pleaded. "I will go tend them, if you let me." Mother walked over to the cabinet and the girl moaned, the sound caught halfway between regret and anticipation. "I think we need a little correction, don't you?" Mother's voice drifted over her shoulder as she chose a small cat o'nine tails from her collection. "Please," Peep pleaded again, her eyes downcast. "I'll be a good girl." "Yes," Mother murmured, coming to caress the her cheek with her soft hand. "You will." Mother reached behind the girl and began untying the pink satin ribbon that bound her. Peep sighed in relief, rolling her tired shoulders once her arms were free. She leaned forward onto her hands and knees as Mother began to untie her feet, but then the older woman stopped. "No... this is good," Mother said, tightening the sashes at the girl's ankles, chuckling. "Turn around, Little Bo Peep, who's lost her sheep, and doesn't know were to find them." Peep did as she was told, turning her face toward the wall on her hands and knees, using her hands to slowly work herself around. She felt Mother's hand caressing her ass, and she shivered, looking back over her shoulder at the older woman. Mother was squatting down behind her, beginning to drip the many straps of the cat o'nine tails over Peep's behind like a little leather waterfall. "Peep's little puss," Mother whispered, parting the dark blonde fuzz with her fingers to peer in at the pink treasure. "I love peeping at Peep's little puss." Mother giggled, wiggling her fingers through and finding the girl's clit. "Oh, Mother!" Peep moaned, lifting her bottom in the air as much as she could with her feet tied together at the ankles.

**Notes from the Field** - Anna Deavere Smith 2019-05-21

"Smith's powerful style of living journalism uses the collective, cathartic nature of the theater to move us from despair toward hope." —The Village Voice Anna Deavere Smith's extraordinary form of documentary theater shines a light on injustices by portraying the real-life people who have experienced them. "One of her most ambitious and powerful works on how matters of race continue to divide and enslave the nation" (Variety). Smith renders a host of figures who have lived and fought the system that pushes students of color out of the classroom and into prisons. (As Smith has put it: "Rich kids get mischief, poor kids get pathologized and incarcerated.") Using people's own words, culled from interviews and speeches, Smith depicts Rev. Jamal Harrison Bryant, who eulogized Freddie Gray; Niya Kenny, a high school student who confronted a violent police deputy; activist Bree Newsome, who took the Confederate flag down from the South Carolina State House grounds; and many others. Their voices bear powerful witness to a great iniquity of our time—and call us to action with their accounts of resistance and hope.

and his buddies gambled, Mikey and I stole a couple of beers and watched movies upstairs. By the time it was my turn to sneak downstairs to get more drinks, the card game was over and I thought all the visitors had left. But Mr. Pierce was in the dining room. He wasn't alone. The man in there with him owed Mr. Pierce a couple hundred bucks from playing cards, and I had a ring-side seat as he paid up.

An accidental dog swap unleashes an unexpected love match in this new romantic comedy from New York Times bestselling author Julia London. Carly Kennedy's life is in a spiral. When Carly comes home late from work one day to discover that the dog walker has accidentally switched out Baxter for another perkier, friendlier basset hound, she has reached the end of her leash. When Max Sheffington finds a depressed male basset hound in place of his cheerful Hazel, he is bewildered. But when cute, fiery Carly arrives on his doorstep, he is intrigued. He was expecting the dog walker, not a pretty woman with firm ideas about dog discipline. And Carly was not expecting a handsome, bespectacled man to be feeding her dog mac and cheese. Baxter is besotted with Hazel, and Carly realizes she may have found the key to her puppy's happiness. For his sake, she starts to spend more time with Hazel and Max, until she begins to understand the appeal of falling for your polar opposite.

*Daddy's Billionaire Best Friend* - Lacy Ryder

This is the complete Daddy's Billionaire Best Friend series. It contains all 3 books. Taken by Daddy's Billionaire Best Friend I've fantasized about him for as long as I can remember... Mark Logan. Household name and CEO of a company named after himself. Of the lesser known facts, he's also my father's best friend since like... forever. Luckily for me, that was enough to get me in as his secretary, on one condition. No special treatment will be given and I have to perform if I want to keep the job. Easy, right? Not even close. The first thing I do is walk in on him dominating his current secretary all over his desk. Then, instead of backing away slowly and forgetting the whole thing I find myself eagerly watching; wishing that it was me sprawled out over his desk. Now, I can barely look him in the eyes and in Mark's own words, he wants me to "take over all of her responsibilities." But, what exactly does he mean by that? There's only one way to find out... Obsessed With Daddy's Best Friend Mark has me on the edge, in more ways than one... I've never felt this way before. Not about anyone before Mark. Everything we do is so forbidden, yet so satisfying. If anyone ever found out that my dad's best friend took me to a place called The Dungeon... If anyone ever found out that he's tied me up and had his way with me more than once... If anyone ever caught us in the act at work... well, let's just say I'd never be able to look them in the eyes ever again and my life would be over. But, I just can't help myself around him. The naughty things he makes me to do are well worth the risk and I'll gladly satisfy him over and over again. Secrets of Daddy's Best Friend Mark has a secret, and it's threatening to ruin everything... My body pulses every time I see him. Thoughts of the dirty, secret things we've been up to rush through my mind and consume me. I'm in a constant state of arousal, always waiting for his next command.

He's more than forbidden, which just makes me want him more. But Mark has a past, and with it comes a secret that has me questioning everything we've been up to... can we get through this or will this tear us apart?

**And the Heart Says Whatever** - Emily Gould 2010-05-04

Essays by former editor of Gawker.com—and the new female voice of her generation. In *And the Heart Says Whatever*, Emily Gould tells the truth about becoming an adult in New York City in the first decade of the twenty-first century, alongside bartenders, bounty hunters, bloggers, bohemians, socialites, and bankers. These are essays about failing at pet parenthood, suspending lust during the long moment in which a dude selects the perfect soundtrack from his iTunes library, and leaving one life behind to begin a new one (but still taking the G train back to visit the old one sometimes). For everyone who has ever had a job she wishes she didn't, felt inchoate ambition sour into resentment, ended a relationship, regretted a decision, or told a secret to exactly the wrong person, these stories will be achingly familiar. At once a road map of what not to do and a document of what's possible, this book heralds the arrival of a writer who decodes the new challenges of our post-private lives, and the age-old intricacies of the human heart.
