Cinderella - Kees Moerbeek 2011

Sssh! This is my Secret Scrapbook Diary. You can read it because you're my friend, but don't tell anyone else. This is my story of how I managed to get to the prince's ball, how my Fairy Godmother found me a coach and horses out of nowhere, how I nearly ruined everything, and how I found a very special friend! I've pasted lots of things in here -- like my actual dance card from the ball, a newspaper report of what happened, and a postcard I sent from the prince's castle. When you've read it, why not make a Secret Scrapbook Diary of your own?

The Diary of a Young Girl - Anne Frank 1996-02-01

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her

account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Islamic Revival in Nepal - Megan Adamson Sijapati 2012-03-29

This book draws on extensive fieldwork among Muslims in Nepal to examine the local and global factors that shape contemporary Muslim identity and the emerging Islamic revival movement based in the Kathmandu valley. Nepal's Muslims are active participants in the larger global movement of Sunni revival as well as in Nepal's own local politics of representation. The book traces how these two worlds are lived and brought together in the context of Nepal's transition to secularism, and explores Muslim struggles for self-definition and belonging against a backdrop of historical marginalization and an unprecedented episode of anti-Muslim violence in 2004. Through the voices and experiences of Muslims themselves, the book examines Nepal's most influential Islamic organizations for what they reveal about contemporary movements of revival among religious minorities on the margins--both geographic and social--of the so-called Islamic world. It reveals that Islamic revival is both a complex response to the challenges faced by modern minority communities in this historically Hindu kingdom and a movement to cultivate new modes of thought and piety among Nepal's Muslims.

You Were Wrong - Matthew Sharpe 2010-09-05

Meet Karl Floor: friendless, motherless, put-upon, living with his loudmouth stepfather and pretending to take satisfaction from teaching high school math. Karl returns home one day to discover his apartment being robbed by a beautiful woman named Sylvia. So begins a strange and mostly inadvertant saga: Karl, now in love with this unexpected woman, finds himself introduced to her friends and family, making promises to her, defending her honor (which she definitely has) against assailants (which she only might have). Sylvia is devastatingly attractive, and caught up in a situation that Karl, bless his heart, does his best to understand. As he gets pulled further into her life, and begged to solve her problems, Karl also begins to see his own limitations. Confronting his confusing paternal situation, his issues with class and responsibility, Karl emerges as an ingeniously funny, memorable, and heartwarming anti-hero. Matthew Sharpe addresses his heady themes with warmth and charisma. You Were Wrong is a lovingly satiric, intelligent, and deeply enjoyable novel with a voice all its own.

Masculinity and Mimicry - Sañjīva Upreti 2011

Karnali Blues - Buddhisagar 2022-05

Karnali Blues, by Buddhisagar, is the most widely read Nepali novel to have appeared in the last twenty years. As it recounts the evolution of a father-son relationship—a son's search for approval, a father's small acts of kindness and forgiveness, a son's fears for his father's dignity as his fortunes and faculties begin to fail—the reader is deeply drawn into young Brisha Bahadur's world. His father is kind and idealistic; his mother, though she is kind too, is often frustrated and irascible. The characters in this book are some of the most carefully drawn and authentic in all of Nepali literature. In a backwater district of a country about to undergo radical social, political and cultural change, Brisha's dreams, his games and his mischief, his loves, his hopes and his fears come alive. Translated from the Nepali by Michael Hutt, this highly original piece of work, with the simplicity of its language and its emotional range, holds the power to take your breath away. Its principal themes—the love between a son and his father, the joys and sorrows of childhood, the daily struggle for survival—are universal, and will resonate with readers the world over.

Tourism in Pokhara - Bishnu Raj Upreti 2013

"Our Time to Sing and Play" - Heather Barr 2016

"Nepal has the third highest rate of child marriage in Asia, with 37 percent of girls marrying before age 18, and 10 percent marrying before the age of 15, despite the fact that the minimum age of marriage is 20 under Nepal law. This report is based on 149 interviews conducted across Nepal, most with married girls and young women who married as girls. It describes the devastating effects of child marriage, including denial of access to education, serious health consequences of early pregnancy, and domestic abuse. A complex web of factors drives these child marriages, including poverty, lack of access to education, child labor, social pressures, and harmful practices. Cutting across all of these is entrenched gender inequality, and damaging social norms that make girls less valued than boys in Nepali society. In July 2014, Nepal's government pledged to end child marriage by 2020. By 2016, this goal has shifted to ending child marriage by 2030. But the government has yet to take the concrete steps needed to achieve either goal. The report calls on Nepal to release a comprehensive plan to combat child marriage, and seeks to support that process with recommendations drawn directly from the experiences of the married children who continue to be deeply harmed by this practice"--Page [4] of cover.

Forever Burn - Trinity Lemm 2020-05-10

Tatum Everley is a freshman at Western Michigan University. Due to an emotionally and psychologically abusive past relationship, Tate struggles from Complex-Post Traumatic Stress Disorder. She has been working on controlling her symptoms and flashbacks, but when she meets Axel Burne at a fraternity party, who is notorious for sleeping around and getting into fights, she tries her best to dodge the bullet. Axel starts to become intrigued by Tate, but she's better off choosing Lucas- the sweet guy who has been trying to take her out since orientation. But even though Lucas is the better option, Axel keeps reappearing. Tate continues to try to stay away from him, but it starts becoming harder to, and as she gets closer to him, things start to get way out of hand. If Tate wants her happy ending and her sanity intact, then she has to push through the hardships and maintain control over her disorder.

The Groomer - Jon Athan 2020-03-13

Andrew McCarthy grows concerned for his family after he catches a young man, Zachary Denton, photographing his daughter, Grace McCarthy, and other children at a park. To his dismay, Zachary talks his way out of trouble when he's confronted by the police. He hopes that's the end of it. Then he finds Zachary at a diner and then at a grocery store. He knows their encounters aren't coincidences. And just as Andrew prepares to defend his family, Grace vanishes. As the police search stalls and the leads dry up, Andrew decides to take matters into his own hands. He starts by searching for sex offenders in the area and researching enhanced interrogation techniques... He convinces himself he'll do anything to rescue his daughter, unaware of the pure evil he'll face in his journey. He's willing to hurt-to torture-anyone to save his family. Jon Athan, the author of Into the Wolves' Den and The Abuse of Ashley Collins, delves into the underworld of internet predators in this disturbing horror novel. Are your children safe? Higher Education in Nepal - Krishna Bista 2019-08-19

This book presents a showcase of discussions and critical perspectives about Nepalese higher education. Its chapters cover topics such as the impacts of local sociopolitical changes and global forces on public and private education, emerging online and distance education, administrative and intellectual leadership, quality assessment, graduate employability, global mobility of students, and the contributions of global diaspora of Nepalese scholars. The central questions of the book are: What are some of the local and global academic interactions in Nepalese higher education and what are the current challenges and pathways for advancements and improvements? How can Nepalese higher education absorb twenty-first century values of quality education as external forces, while adapting new developments to local needs? How can scholars interested in Nepalese, South Asian, and international higher education create opportunities for scholarship and professional collaboration around research on higher education in this region of South Asia? What issues and perspectives can research and scholarship about Nepal's higher education offer to international discourse in higher education? The book offers information and resources to international educators interested in the dynamics of Nepalese and, by implication, South Asian higher education by introducing key challenges in policy and programs, innovative changes in curricula, effective approaches in technology application, and strategies for future integration of global reforms in education.

My Lai - Howard Jones 2017

During the summer of 1971, in the midst of protests and demonstrations in the United States against the Vietnam War, it became evident that something horrific had happened in the remote South Vietnamese hamlet of My Lai. Three years previously, in March 1968, a unit of American soldiers engaged in seemingly indiscriminate violence against unarmed civilians, killing over 500 people, including women and children. News

filtered slowly through the system, but was initially suppressed, dismissed or downplayed by military authorities. By late 1969, however journalists had pursued the rumors, when New York Times reporter Seymour Hirsch published an expose on the massacre, the story became a national outrage. Howard Jones places the events of My Lai and the aftermath in a wider historical context. As a result of the reporting of Hirsch and others, the U.S. army conducted a special inquiry, which charged Lieutenant William Calley and nearly 30 other officers with war crimes. A court martial followed, but after four months Calley alone was found guilty of premeditated murder. He served four and a half months in prison before President Nixon pardoned him and ordered his release. Jones' compelling narrative details the events in Vietnam, as well as the mixed public response to Calley's sentence and to his defense that he had merely been following orders. Jones shows how pivotal the My Lai massacre was in galvanizing opposition to the Vietnam War, playing a part nearly as significant as that of the Tet Offensive and the Cambodian bombing. For many, it undermined any pretense of American moral superiority, calling into question not only the conduct of the war but the justification for U.S. involvement. Jones also reveals how the effects of My Lai were felt within the American military itself, forcing authorities to focus on failures within the chain of command and to review training methods as well as to confront the issue of civilian casualties - what, in later years, came to be known as "collateral damage." A trenchant and sober reassessment, My Lai delves into questions raised by the massacre that have never been properly answered: questions about America's leaders in the field and in Washington; the seeming breakdown of the U.S. army in Vietnam; the cover-up and ultimate public exposure; and the trial itself, which drew comparisons to Nuremberg. Based on

extensive archival research, this is the best account to date of one of the defining moments of the Vietnam War.

Palpasa Café - Narayan Wagle 2011-12-02

A journalist sits in a café waiting for his subject—an artist called Drishya about whom he wants to write a novel. But Drishya doesn't come. For that morning he has been visited by Maoists at his home and abducted by them... So begins *Palpasa Café*, the extraordinary novel by Nepali journalist Narayan Wagle, which has become a sensation in the country. Starting with the murders of the royal family, it tells the troubled story of contemporary Nepal through the eyes of a romantic artist who falls in love, wanders the war-struck countryside and dreams of creating a café named after his beloved which serves the best coffee in the country. Playful, moving and melancholic, fusing the boundaries between fiction and non fiction, *Palpasa Café* presents a rare picture of Nepal at war. It is one of the most important novels to come out of the country.
