The World's Sixteen Crucified Saviors -

Kersey Graves 2016-03-10
Khrisna of India. Thammuz of Syria. Esus of the Celtic Druids. Mithra of Persia. Quexalcoati of Mexico. All were crucified gods, and all met

their fates hundreds of years before Jesus appeared on the scene. In this foundational work of modern atheism, American spiritualist KERSEY GRAVES (1813-1883) breaks the Christ myth down into its component parts and ably demonstrates how the story of Jesus has its roots in the depths of antiquity. Here you'll read about the surprising prevalence throughout global folklore of: . the miraculous and immaculate conception of the gods . stars that point out the time and place of a savior's birth . angels, shepherds, and magi visiting an infant savior . the 25th of December as the universal birth date of gods . saviors who descend into Hell . and much more. This is essential reading for students of comparative mythology and modern freethinkers. Also available from Cosimo: Graves's The Biography of Satan and The Bible of Bible.

Did Moses Exist? - D. M. Murdock 2014

The biblical figure of Moses has been the center of fascination for over 2,000 years, but what do we actually know about him? Was he a real person? Did the Exodus truly happen? Or is the story in the Pentateuch a mythical account written centuries after the alleged events? Why does Moses's story resemble that of other, older lawgivers and legendary predecessors? Why are there so many elements of sun and wine god myths in the tale of Moses? What does the focus

on the serpent in his story signify? Who were Yahweh and the Elohim? Did Moses Exist? includes: Maps and 126 illustrations Extensive bibliography, table of contents and index Hundreds of footnotes and citations from primary sources in multiple languages Best modern scholarship from credentialed authorities Did Moses Exist? provides a massive amount of information from antiquity about the world's religious traditions and mythology, including how solar myths, wine cultivation and fertility cults have shaped the Bible and Judaism. This book may be the most comprehensive study to date, using the best scholarship and state-of-the-art research methods. "The existence of Moses as well as the veracity of the Exodus story is disputed amongst archaeologists and Egyptologists, with experts in the field of biblical criticism citing logical inconsistencies, new archaeological evidence, historical evidence and related origin myths in Canaanite culture." -- "Moses," Wikipedia "There is no historical

evidence outside of the Bible, no mention of Moses outside the Bible, and no independent confirmation that Moses ever existed." --Dr. Michael D. Jesus Among Other Gods - Ravi Zacharias
2002-02-06

In a world with so many religions, why Jesus? We are living in a time when you can believe anything, as long as you do not claim it to be true. In the name of "tolerance," our postmodern culture embraces everything from Eastern mysticism to New Age spirituality. But as Ravi Zacharias points out, such unquestioning acceptance of all things spiritual is absurd. All religions, plainly and simply, cannot be true. Jesus Among Other Gods provides the answers

to the most fundamental claims about Christianity, such as: Aren't all religions fundamentally the same? Was Jesus who He claimed to be? Can one study the life of Christ and demonstrate conclusively that He was and is the way, the truth, and the life? In each chapter, Zacharias considers a unique claim that Jesus made and then contrasts the truth of Jesus with the founders of Islam, Hinduism, and Buddhism with compelling insight and passionate conviction. In addition to an impressive breadth of reading and study, he shares his personal journey from despair and meaninglessness to his discovery that Jesus is who He said He is. "In Jesus Among Other Gods, Ravi Zacharias demonstrates that he is one of the most intellectually gifted as well as spiritually sensitive writers of today's leading apologists for the Christian faith. Zacharias brings alive the unique power of the claims of Jesus about himself and the utter relevance of his message today for the human condition." — David

Who Was Jesus? - D. M. Murdock 2007-10

Cold-Case Christianity - J. Warner Wallace
2013-01-01

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide

detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Christianity--Mankind's First Worldwide Religion! - Gene Matlock 2005-12

It is my hope that this book will help all humans understand just exactly what Buddhism,

Ketuloka or Krishtaya is and apply its principles, according to the uniqueness and level of their respective understandings, for the improvement of their lives. Christianity/Catholicism was mankind's first and oldest worldwide religion. According to author Gene Matlock, Christianity merely stepped into the shoes of an ancient existing worldwide religion of the same name. The infant Church did not begin to call itself Christianity until two or three hundred years after it was established. Before the Great Flood, Krishtayana was brought to India from Eastern Siberia by a highly civilized Turkish tribe called Kurus or Krishtaya. The Kurus were the world's first highly developed civilization, predating India, Egypt, and Sumeria. After conquering India, the Kurus went on to conquer the world, including Middle America. The Caribbean Indians told the Spanish that their gods were the Kurus-Rumani. Nearly all the Indian tribes of both Americas will find their respective tribes' Turkish and North Indian origins in this book.

But what happened to keep Turkey from receiving credit as the founder of all human civilizations as well as the first religion? Christianity-Mankind's First Worldwide Religion! clears up many mysteries and shows that Jesus Christ really was all that Christians have been taught he was.

The Christ Conspiracy - D. M. Murdock
2020-12-12

This is an updated and revised edition with new credible evidence, a multitude of highly respected academic source citations, new pictures, an updated bibliography, index and more, by archaeologist, historian, mythologist and linguist D. M. Murdock (writing earlier as Acharya S.). Murdock marshals an enormous

amount of startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies, mystery schools and religions in order to unify the Roman Empire under one state religion. In developing such a fabrication, this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era, and reworked them for centuries into the religion passed down to us today. Contrary to popular belief, there was no single man who was at the genesis of Christianity; Jesus was many characters rolled into one. These characters personified the ubiquitous solar myth, and their exploits were well known, as reflected by such popular deities as Mithras, Heracles/Hercules, Dionysos and many others throughout the Roman Empire and beyond. The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior-gods Krishna and Horus, who for millennia preceding Christianity held great favor with the

people. The Christ Conspiracy shows the Jesus character as not unique or original, not "divine revelation." Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces. The result of this myth making has been "The Greatest Conspiracy Ever Sold."

Solving the Mystery of Babylon the Great -

Edward Hendrie 2011-03-11

"Attorney and Christian researcher Edward Hendrie investigates and reveals one of the greatest exposes of all time. . . . a book you don't want to miss. Solving the Mystery of Babylon the Great is packed with documentation. Never before have the crypto-Jews who seized the reins of power in Rome been put under such intense scrutiny." Texe Marrs, Power of Prophecy. People have wondered and debated for centuries about the identity of the mysterious Babylon the Great in the book of Revelation. Solving the Mystery of BABYLON THE GREAT examines the historical evidence in light of the scriptures and

solves the mystery. The evidence leads to the ineluctable conclusion is that the Roman Catholic Church was established by crypto-Jews as a false "Christian" front for a Judaic/Babylonian religion. That religion is the nucleus of a world conspiracy against man and God. That is not a soft conspiracy theory based upon speculation, but rather the hard truth based upon authoritative evidence, which is documented in this book. Texe Marrs explains in his foreword to the book: "Who is Mystery Babylon? What is the meaning of the sinister symbols found in these passages? Which city is being described as the 'great city' so full of sin and decadence, and who are its citizens? Why do the woman and beast of Revelation seek the destruction of the holy people, the saints and martyrs of Jesus? What does it all mean for you and me today? Solving the Mystery of Babylon the Great answers these questions and more. Edward Hendrie's discoveries are not based on prejudice but on solid evidence aligned

forthrightly with the 'whole counsel of God.' He does not condone nor will he be a part of any project in which Bible verses are taken out of context, or in which scriptures are twisted to mean what they do not say. Again and again you will find that Mr. Hendrie documents his assertions, backing up what he says with historical facts and proofs. Most important is that he buttresses his findings with scriptural understanding. The foundation for his research is sturdy because it is based on the bedrock of God's unshakeable Word."

The Buddha's Gospel - Lindsay Falvey 2002
Described as 'unique and a great service to understanding', this book is intended for three groups; Western Buddhists, that bulk of the West that have no religious affiliation yet know there is something more to life, and Buddhists in Asia who follow the encounter of the dharma with the West. It highlights the pervasive similarities in the teachings of Jesus and the Buddha as they were probably originally

presented. In its six chapters and appendix, it compares the two great teachers, the Buddha and Jesus, briefly charts the process by which experts have produced words readily attributed to Jesus and presents a Buddhist 'imitation' of these words based on the hypothetical 'Sayings of Jesus'. It then considers congruence between the Buddha's and Jesus' teachings before offering both Buddhist and Christian interpretations. An appendix re-presents the Buddhist imitation of Jesus' words as a continuous text. Dr. Falvey introduces his work ... 'Jesus speaking the Buddha's words' exudes audacity and ignorance, yet this work essentially wrote itself as a product of my socialization, a modicum of Christian theological study and its explication through three decades of casual association with Thai Buddhism. Differences between the two traditions - such as Christianity relying on a God while Buddhism denies the existence of a God proved themselves facile upon consideration of the metaphorical intent of

teachings of both traditions.

[Antichrist: The Beast Revealed](#) - Edward Hendrie
2015-04-16

The antichrist is among us, here and now. This book proves it by comparing the biblical prophecies about the antichrist with the evidence that those prophecies have been fulfilled. This book documents the man of sin's esoteric confession that he is the antichrist. You will learn how the antichrist has changed times and laws as prophesied by Daniel, and how he is today sitting in the temple of God, shewing himself that he is God, in fulfillment of Paul's prophecy in 2 Thessalonians 2:4. The beast of Revelation has come into the world, after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness, as prophesied in 2 Thessalonians 2:10.

Jesus Christ, Sun of God - David Fideler

1993-10-01

The early Christian Gnosis did not spring up in isolation, but drew upon earlier sources. In this book, many of these sources are revealed for the first time. Special emphasis is placed on the Hellenistic doctrine of the "Solar Logos" and the early Christian symbolism which depicted Christ as the Spiritual Sun, the illumination source of order, harmony, and spiritual insight. Based on 15 years of research, this is a unique book which throws a penetrating light on the secret traditions of early Christianity. It clearly demonstrates that number is at the heart of being. Jesus Christ, Sun of God, illustrates how the Christian symbolism of the Spiritual Sun is derived from numerical symbolism of the "ancient divinities."

End Times to 2019 - David Montaigne
2013-01-09

Does the end of the Mayan Calendar start the countdown to Judgment Day? Biblical and historical researcher David Montaigne concludes that this is the case. He says that the end of the Mayan Long Count is the official start of the Bible's seven-year tribulation-both were focused on the same astronomical events that occur from 2012 to 2019. The world as we know it will be gone by 2020. Texts from ancient India tell us about great cycles of destruction. The Egyptians told the same basic story with different names. The Maya reveal another version of the story, and were very clear about the timing of events from December 2012 to 2019. Your average American is no expert on these cultures, but

most people do have a Bible at home-and the clearest details on what is about to happen can be found in the Bible, if you don't let someone else tell you which parts you should focus on. No, this isn't what you were taught in Sunday school. Religious leaders guide us between the raindrops of curious comments in the Bible. We are discouraged from focusing on the parts they say we weren't meant to understand. But if we stop glossing over these important passages we will understand a flood of details about the End Times. Our "leaders" are not ignorant of these events. The elite already know what is about to happen and they have made preparations most rational people would not believe, because evidence is suppressed to avoid chaos. They want us to remain ignorant, or at least to believe that the details are secrets that cannot be known. But the coming events (and their timing) are not secrets. Years ago, this book's publication would not have been tolerated by those in power. But by now it doesn't matter

much-their plans are not going to be interfered with at this point. Your plans, however, can still be formulated, if you make the choice to understand. Topics include: Bible Prophecy; Matthew 24:36- Knowing the hour and the day; The Mayan Calendar and Mythology; Pole Shifts; Galactic Superwaves; Ancient Egypt; Ancient India; World Mythology; The Georgia Guidestones; The real Star of Bethlehem and the exact birthday of Christ; Calculating the Second Coming, and Judgment Day; more.

A Way Beyond Religion - Raja Bhat MD
2004-09-29

This new book has taken many years of spiritual exploration to create. It explores spirituality within various religions, and finds spiritual gems within each religion while discarding what is contrary to universal human spirituality. The book tries to tear out of religion whatever is tearing humanity apart. It extracts ideas and teachings from our various religions that give us the ability to practice the trimmings of simple

spirituality free from the trappings of religious dogma. It reviews various approaches to meditation, and finds a simple letting-go meditation practice which opens up our innate spirituality. This method works for everybody, and is free of religious exclusivity. The meditation practice is based on the teachings of the Tao, Zen, and the Hindu Upanishads, and is consistent with Islamic and Christian spirituality. Finally, it teaches and guides us in bringing the spirituality acquired from prayer and meditation into our everyday lives. This insightful and inspiring book is a call to set spirituality free from the dead-weight of religious dogma. It fearlessly exposes the madness of religious fundamentalism and offers instead the loving kindness of genuine spiritual awakening. Bigoted religion is a source of most of the conflicts bedeviling our world today. In this book Raja Bhat offers an exciting alternative: spirituality transcending religion. Timothy Freke, author and co-author of numerous books

on religion and spirituality, such as Encyclopedia of Spirituality; The Jesus Mysteries; Jesus And The Lost Goddess; Spiritual Traditions: Essential Teachings To Transform Your Life; The Complete Guide To World Mysticism and many others.

Shattering the Christ Myth - James Patrick Holding 2008-06

How To Get Rid of Jesus: Prove He Didn't Exist!

A popular question posed by Christians today asks, "WWJD?" - which stands for, "What Would Jesus Do?" For more and more Skeptics of Christianity, however, the answer to this question is, "JDNE" - which stands for, "Jesus did not exist!" In this volume, edited by prominent Internet apologist James Patrick Holding, a team of Christian authors provide a series of essays giving detailed answers to those who argue for the "Christ myth." Though rejected by mainstream scholars, this theory continues to grow in popularity among popular writers and Internet antagonists. The need for Christians to

be ready to give an answer to it will only become more urgent. "Here's a clear and compelling rebuttal to fallacious claims that keep resurfacing in books and on the Internet. It's well-researched, expertly presented, and ultimately convincing." - Lee Strobel, author,

The World's Sixteen Crucified Saviors - Kersey Graves 2001-09

The World's Sixteen Crucified Saviors has been out of print but sought after for many years. A small part of it was reprinted in The Book Your Church Doesn't Want You to Read in 1994. Many people are unaware that before Christianity there were 15 other religions that also had a savior who died for their sins, then arose from the dead.

The Venus Blueprint - Richard Merrick
2012-05-22

In 2010, Richard Merrick took a family trip to Scotland's Rosslyn chapel—the enigmatic fifteenth-century temple made famous by Dan

Brown's The Da Vinci Code. Little did he know he was about to embark upon an intellectual and personal journey that would lead to the discovery of a real-life lost symbol—one that reveals the connection between the world's most sacred temples and opens up a treasure trove of lost science and ancient secrets. The symbol he discovers—the Venus Blueprint—is based on that planet's orbital pattern, which takes the shape of a five-pointed star when seen from Earth. As Merrick digs deeper, he realizes the Venus Blueprint was an integral part of the design template of some of the most significant religious architecture around the world--including St. Peter's Basilica in the Vatican, the Roman Pantheon, the Greek Parthenon, the Temple of Jerusalem, and the Great Pyramid of Giza, as well as many buildings designed by the secretive Freemason society. Upon further examination, Merrick is astounded to discover that temples designed using the Venus Blueprint are endowed with extraordinary acoustics that,

when supplied with the right tones and frequencies, are capable of harmonizing with Earth's resonant frequencies and evoking altered states of consciousness. He then proposes a fascinating idea: Could it be that the ancients used these harmonics to enhance entheogenically induced visions—to commune with the divine and liberate the gods within? Supported by an impressive array of historical research and scientific analysis, The Venus Blueprint offers compelling evidence of an ancient lost culture that was both spiritually and scientifically advanced.

[Jesus's Resurrection](#) - Michael J. Alter
2019-12-31

The keystone of Christianity is Jesus's physical, bodily resurrection. Present-day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English-language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access-Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories, which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con

arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

Pagan Origins of the Christ Myth - John G. Jackson 2018-12-17

A classic resource that connects the cardinal doctrines of Christianity to their origins in the ancient civilizations that preceded the religion. In *Pagan Origins of the Christ Myth*, John G. Jackson sources the pagan origins of Christian doctrine with particular focus on the creation and atonement myths. Rooted in historical facts, Jackson's claims are steeped in research and demonstrate how Christianity synthesizes the rituals, beliefs, and characteristics of savior gods

from ancient Egyptian, Greek, Aztec, and Hindu origins. Initially published in 1941, this concise introduction remains an insightful contribution to comparative religion studies.

[This Is the Sun?: Zeitgeist and Religion \(Volume I: Comparative Religion\)](#) - Albert McIlhenny
2011-12-07

The film Zeitgeist became an overnight internet sensation with its claims Christianity was based upon a pagan solar mythology. This idea, developed in the eighteenth century but dismissed as ridiculous by scholars, has held support among anti-religious and occultic

thinkers and recently was popularized by conspiracy theorists. In the first of a two volume critique of these ideas, Albert McIlhenny takes on the claims of its best known supporters. By the end of this volume, the theory of "astrotheology" is shown to be based on various historical mistakes popular in early modernity but since shown to be erroneous. It is demonstrated the source of its current support is not based upon any evidence but the wild claims of conspiracy theorists dressed up to look like scholarship.

The Re-Enchantment - Hank Wesselman
2016-12-01

An Invitation to Awaken to a Reality of Wonder and Infinite Possibility In a time when our scientific understanding of the universe has never been greater, why do so many people feel unhappy and alienated? As Dr. Hank Wesselman explains, our search for objective knowledge has come at the cost of a deeper, intuitive rapport with nature and our spiritual selves. The result is

a profound disenchantment, one that affects us individually and collectively. What we need now is a “re-enchantment”—a way to renew our relationship with nature, reawaken to spiritual reality, and reclaim the sense of connection and hope that gives meaning to our lives. The Re-Enchantment offers a compelling blueprint for the emerging transformational spirituality—not a return to the superstition and ignorance of old beliefs, but a “modern upgrade of the path of the shaman” that reconnects us to our inner sources of intuition, power, and healing. Here he explores:

- Challenging the cultural mythos—why a new story is arising about who we are and where we fit in to the greater whole
- The role of the shaman as a mediator between the material and spiritual worlds
- Guides, helping spirits, oversouls, and masters of deception—unseen spiritual forces that influence our lives
- Empowering ourselves to be agents of change through the shamanic path of “direct revelation”

“There is new spiritual complex

coming into being in our world,” writes Dr. Wesselman. “This mystical mosaic draws from many traditions and many cultures, and has the potential to refresh and perhaps replace our current mainstream religions with new perceptions and new insights.” With *The Re-Enchantment*, this leading teacher presents a provocative call to action—to engage the world with a newborn’s eyes, a shaman’s heart, and soul dedicated to a wiser, more compassionate future.

Unlike many modern historians, Perry was a diffusionist who believed that modern civilization began in Egypt and was spread via ships to Indonesia, the Pacific Islands, and even to North America. Perry traces the origin of megalithic culture starting in Egypt, and then across the Pacific. Searching for gold, obsidian, and pearls, they travelled across the Pacific to the American Southwest and Mexico.

The Aquarian Gospel of Jesus Christ - Levi H.

Dowling 2022-05-17

The Aquarian Gospel of Jesus the Christ is a book by Levi H. Dowling who claimed that he had transcribed the text of the book from the kashic records, a purported compendium of mystical knowledge supposedly encoded in a non-physical plane of existence. In the later 20th century, it was adopted by New Age spiritual groups. The title is derived from the practice in astrology of naming time periods in terms of constellations and their dominant positions in the sky, according to the earth's axial precession. In that system, the Age of Aquarius is approaching. Reich of the Black Sun - Joseph P. Farrell
2004

"A fascinating expose proving that Nazi
Germany won the race for the atom bomb in late
1944. Were the Nazis secretly researching the
occult, alternative physics and new energy
sources? This scientific-historical journey tracks
down the proof and answers these fascinating
questions: What were the Nazis developing in
Czechoslovakia? Why did the US Army test the
atom bomb on Hiroshima? Why did the Luftwaffe
fly a non-stop round-trip mission within twenty
miles of New York City in 1944?"--Publisher's
description.

Masonic Light from Ancient Africa - Keith
Moore 32i 2018-01-30

This book explores the critical thinking that

Freemasons of African descent have towards the
understanding of the Bible as well as the impact
of Christianity in African American culture. To
the Mason, the Bible is the guide of faith for it
gives us God's holy instructions. It also has
within it a secret knowledge that many of our
traditional churches refused to tap into.

Therefore this knowledge is esoteric in nature
and this is what masonry thrives on. This book
will examine not only the contributions by
ancient Kemet (Egypt) To religion but the entire
content of Africa which has a conglomerate of
religions all are pointing to one divine creator.

From Light Into Darkness - Stephen S. Mehler
2005

Presents a new interpretation of how religion
evolved in ancient Egypt, linking the teachings
of Akhenaten and his connection to the Exodus
to the "real" Moses and Judaism and to the
Rosicrucians.

The Christ Conspiracy - Acharya S. 2012-09-04
In this highly controversial and explosive book,

archaeologist, historian, mythologist and linguist Acharya S. marshals an enormous amount of startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies, mystery schools and religions in order to unify the Roman Empire under one state religion. In developing such a fabrication, this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era, and reworked them for centuries into the religion passed down to us today. Contrary to popular belief, there was no single man who was at the genesis of Christianity; Jesus was many characters rolled into one. These characters

personified the ubiquitous solar myth, and their exploits were well known, as reflected by such popular deities as Mithras, Heracles/Hercules, Dionysos and many others throughout the Roman Empire and beyond. The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior-gods Krishna and Horus, who for millennia preceding Christianity held great favor with the people. The Christ Conspiracy shows the Jesus character as not unique or original, not “divine revelation.” Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces. The result of this myth making has been “The Greatest Conspiracy Ever Sold.” .
