THE HAPPY PRINCE - Oscar Wilde 1922

THE HAPPY PRINCE High above the city, on a tall column, stood the

statue of the Happy Prince. He was gilded all over with thin leaves of fine gold, for eyes he had two bright sapphires, and a large red ruby glowed on his sword-hilt. He was very much admired indeed. "He is as beautiful as a weathercock," remarked one of the Town Councillors who wished to gain a reputation for having artistic tastes; "only not quite so useful," he added, fearing lest people should think him unpractical, which he really was not. "Why can't you be like the Happy Prince?" asked a sensible mother of her little boy who was crying for the moon. "The Happy Prince never dreams of crying for anything." "I am glad there is some one in the world who is quite happy," muttered a disappointed man as he gazed at the wonderful statue. "He looks just like an angel," said the Charity Children as they came out of the cathedral in their bright scarlet cloaks and their clean white pinafores. "How do you know?" said the Mathematical Master, "you have never seen one." "Ah! but we have, in our dreams," answered the children; and the Mathematical Master frowned and looked very severe, for he did not approve of children dreaming. One night there flew over the city a little Swallow. His friends had gone away to Egypt six weeks before, but he had stayed behind, for he was in love with the most beautiful Reed. He had met her early in the spring as he was flying down the river after a big yellow moth, and had been so attracted by her slender waist that he had stopped to talk to her. "Shall I love you?" said the Swallow, who liked to come to the point at once, and the Reed made him a low bow. So he flew round and round her, touching the water with his wings, and making silver ripples. This was his courtship, and it lasted all through the summer. "It is a ridiculous attachment," twittered the other Swallows; "she has no money, and far too many relations"; and indeed the river was quite full of Reeds. Then, when the autumn came they all flew away. After they had gone he felt lonely, and began to tire of his ladylove. "She has no conversation," he said, "and I am afraid that she is a coquette, for she is always flirting with the wind." And certainly, whenever the wind blew, the Reed made the most graceful curtsies. "I admit that she is domestic," he continued, "but I love travelling, and my wife, consequently, should love travelling also." "Will you come away with me?" he said finally to her; but the Reed

shook her head, she was so attached to her home. "You have been trifling with me," he cried. "I am off to the Pyramids. Good-bye!" and he flew away.

[Antología del cuento chileno](#) - Alfonso Calderón 1999

[House of Leaves](#) - Mark Z. Danielewski 2000-03-07

"A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth --

musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

Little Eyes - Samanta Schweblin 2021-05-04

LONGLISTED FOR THE 2020 MAN BOOKER INTERNATIONAL PRIZE A NEW YORK TIMES NOTABLE BOOK OF THE YEAR "Her most unsettling work yet — and her most realistic." --New York Times Named a Best Book of the Year by The New York Times, O, The Oprah Magazine, NPR, Vulture, Bustle, Refinery29, and Thrillist A visionary novel about our interconnected present, about the collision of horror and humanity, from a master of the spine-tingling tale. They've infiltrated homes in Hong Kong, shops in Vancouver, the streets of in Sierra Leone, town squares in Oaxaca, schools in Tel Aviv, bedrooms in Indiana. They're everywhere. They're here. They're us. They're not pets, or ghosts, or robots. They're real people, but how can a person living in Berlin walk freely through the living room of someone in Sydney? How can someone in Bangkok have breakfast with your children in Buenos Aires, without your knowing? Especially when these people are completely anonymous, unknown, unfindable. The characters in Samanta Schweblin's brilliant new novel, Little Eyes, reveal the beauty of connection between far-flung souls—but yet they also expose the ugly side of our increasingly linked world. Trusting strangers can lead to unexpected love, playful encounters, and marvelous adventure, but what happens when it can also pave the way for unimaginable terror? This is a story that is already happening; it's familiar and unsettling because it's our present and we're living it, we just don't know it yet. In this prophecy of a story, Schweblin creates a dark and complex world that's somehow so sensible, so recognizable,

that once it's entered, no one can ever leave.
