The Faith to Walk on Water - Lindsey Bethel 2013-04-18

Sand between my toes, the salt air wrapping around me like a warm, summer blanket, the crashing of waves, and the meeting of sky and water. The beach is where I see the handiwork of God. As a young child, it was there that I wished that I could walk on the water as Jesus and Peter had in Matthew 14. It was there that I learned of faith, the faith that requires you to not only step out of the boat but also to focus on Jesus and learn to walk toward Him daily. It is not enough to just get out of our comfort zones, but now we need to learn to grow and walk toward Him constantly. The Faith to Walk on Water takes a look at why standing

still in our faith is no longer an option, how doubt and fear are overcome by Jesus. He does not watch from a distance, but He is always there holding out His hand for us to take hold. So what are you waiting for? Take that step, and walk on the water!

A Walk-On Part in the War - Steven A. Babiuch 2008-03-17

College dropout Scott Sanderson sits in a rural Florida holding cell in the middle of the night, awaiting a hearing the following morning. He has ventured from Los Angeles on his motorcycle to see the country before the responsibilities of post-college adulthood ensnare him. Ignoring his draft status, the journey takes him first to Mardi Gras, then to Florida, where his arrest abruptly curtails the adventure. Faced with jail time, he reluctantly follows the judge's orders and joins the navy. This solidifies his notion that life is stacked against him and that the generation in charge has rigged the world in its favor. In his new situation, Scott deals with many of the issues he left behind: his relationship with his father and his family, his commitment to the service, his relationships with women, and his future. Interwoven with historic events of the era and the lives of his peers both at home and in the navy, *A Walk-on Part in the War* follows Scott on his quest to find direction in a fractured and confused America. A modern-day odyssey, this novel captures the waning optimism and the rapid pace of individual and social change that overtook mid-1970s America.

The Field of Vision - Wright Morris 2017-02

"Wright Morris seems to me the most important novelist of the American middle generation. Through a large body of work -which, unaccountably, has yet to receive the wide attention it deserves--Mr. Morris has adhered to standards which we have come to identify as those of the most serious literary art. His novel *The Field of Vision* brilliantly climaxes his most richly creative period. It is a work of permanent significance and relevance to those who cannot be content with less than a full effort to cope with the symbolic possibilities of the human condition at the present time."--John W. Aldridge

Walking on Water - Randall Kenan 2000-02-22

"A meaningful panoramic view of what it means to be human...Cause for celebration." --Times-Picayune From the author of the National Book Critics Circle Award finalist *Let the Dead Bury Their Dead* comes a moving, cliché-shattering group portrait of African Americans at the turn of the twenty-first century. In a hypnotic blend of oral history and travel writing, Randall Kenan sets out to answer a question that has long fascinated him: What does it mean to be black in America today? To find the answers, Kenan traveled America--from Alaska to Louisiana, from Maine to Las Vegas--over the course of six years, interviewing nearly two hundred African Americans from every conceivable walk of life. We meet a Republican congressman and an AIDS activist; a Baptist minister in Mormon Utah and an ambitious public-relations major in North Dakota; militant activists in Atlanta and movie folks in Los Angeles. The result is a marvellously sharp, full picture of contemporary African American lives and experiences.

Joan Barbara Simon is a wordsmith par excellence'. Amazon UK: 'In some ways this is very different from the same author's *Mut@tus*, which is one of my very favourite books. Yet look closer and the stamp of Simon's writing is clear.

The exquisite interweaving of narratives, the way she captures the moments of realisation, actualisation and passion that pepper her characters' lives. And like Mut@tus this is, at base, a journey of self-discovery, beautifully crafted, and one that will leave the reader as changed as Simon's characters. Highly, highly recommended'. Walking the Woods and the Water - Nick Hunt 2014-03-20

In 1933, the eighteen year old Patrick Leigh Fermor set out in a pair of hobnailed boots to chance and charm his way across Europe, like a tramp, a pilgrim or a wandering scholar . The books he later wrote about this walk, *A Time of Gifts*, *Between the Woods and the Water*, and the posthumous *The Broken Road* are a half-remembered, half-reimagined journey through cultures now extinct, landscapes irrevocably altered by the traumas of the twentieth century. Aged eighteen, Nick Hunt read *A Time of Gifts* and dreamed of following in Fermor's footsteps. In 2011 he began his own great trudge - on foot all the way to Istanbul. He walked across Europe through eight countries, following two major rivers and crossing three mountain ranges. Using Fermor's books as his only travel guide, he trekked some 2,500 miles through Holland, Germany, Austria, Slovakia, Hungary, Romania, Bulgaria and Turkey. His aim? To have an old-fashioned adventure. To slow down and linger in a world where we pass by so much, so fast. To discover for himself what remained of hospitality, kindness to strangers, freedom, wildness, adventure, the mysterious, the unknown, the deeper currents of myth and story that still flow beneath Europe's surface.

Franklin D. Roosevelt - Teri Kanefield 2019-10-08

This biography for young readers explores the life of the thirty-second president, who lifted the United States from depression to global leadership. When Franklin D. Roosevelt was first elected president in 1933, America was in the throes of the Great Depression—the worst economic crisis in U.S. history—and the world was experiencing a menacing rise in Nazism and other dangerous extremists. Throughout his four presidential terms, Roosevelt was a steady and inspiring leader. He

implemented progressive social reform through his New Deal agenda and helped lift America from economic crisis. He guided America to victory in World War II. Born into wealth and privilege, Roosevelt entered politics at a young age. His career and world views were shaped by his marriage to Eleanor Roosevelt and his long struggle with polio. Franklin Delano Roosevelt, our thirty-second president, forever left his mark on our nation and the world. By the time of his death, America had grown to a global economic and military superpower. His New Deal legislation changed the relationship of American citizens to their government. His policies came close to fully realizing Alexander Hamilton's vision of a government that touches and improves the lives of all citizens. The book includes selections from Roosevelt's writings, endnotes, a bibliography, and an index. "Kanefield provides readers with an intimate examination of Franklin Delano Roosevelt. . . . It flows in a friendly and welcoming style that reluctant readers will appreciate. . . . A solid account for both history buffs and report-writers." —Kirkus Reviews "Neither hagiography nor a hatchet job, this evenhanded overview of FDR walks a middle path perfect for middle grade readers. A commendable addition to school and public library collections." —School Library Journal

Jesus did not live an ordinary life, and nor should we! *Walk on Water* invites believers to rise above the norm. This daily devotional takes a fresh look at the Word of God. Be inspired by the lives of Esther, Daniel, Jonah, and others. Be challenged with Jesus' no-nonsense conversations with the Pharisees and the disciples. Be emboldened through the honest emotions that pour from the hearts of the writers of the Psalms. In addition to daily devotionals, twelve true stories (experienced by Deb herself) are added at the end of each month to encourage and humor the soul.
