Nineteen Eighty-Four - George Orwell 2021-01-09

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

The Mental Equivalent - Emmett Fox 2019-10-05

We build in the mental equivalents by thinking quietly, constantly and persistently of the kind of thing we want, and by thinking that has two qualities: clearness or definiteness, and interest. The key to life is to build in the mental equivalents of what we want and to expunge the equivalents of what we do not want.

The 5AM Club - Robin Sharma 2018-12-04

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

Soundtracks - Jon Acuff 2021-04-06

Overthinking isn't a personality trait. It's the sneakiest form of fear. It steals time, creativity, and goals. It's the most expensive, least productive thing companies invest in without even knowing it. And it's an epidemic. When New York Times bestselling author Jon Acuff changed his life by transforming his overthinking, he wondered if other people might benefit from what he discovered. He commissioned a research study to ask 10,000 people if they struggle with overthinking too, and 99.5 percent said, "Yes!" The good news is that in Soundtracks, Acuff offers a proven plan to change overthinking from a super problem into a superpower. When we don't control our thoughts, our thoughts control us. If our days are full of broken soundtracks, thoughts are our worst enemy, holding us back from the things we really want. But the solution to overthinking isn't to stop thinking. The solution is running our brains with better soundtracks. Once we learn how to choose our soundtracks, thoughts become our best friend, propelling us toward our goals. If you want to tap into the surprising power of overthinking and give your dreams more time and creativity, learn how to DJ the soundtracks that define you. If you can worry, you can wonder. If you can doubt, you can dominate. If you can spin, you can soar.

Sophie's World - Jostein Gaarder 2007-03-20

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

All Of Grace - C .H. Spurgeon 2010-06-01

C. H. Spurgeon writes, "Only God can justify the ungodly, but He can do it to perfection. He casts our sins behind His back; He blots them out. He says that though they be sought for, they shall not be found." In an age of limited travel and isolated nations, C.H. Spurgeon preached to over 10,000,000 people in person—sometimes up to 10 times per week. It is in this classic work that Spurgeon most clearly present the message of salvation—man's ultimate need and God's unique provision—both simply and sincerely, for honest seekers and zealous witnesses alike.

Act Like a Lady, Think Like a Man LP - Steve Harvey 2010-06-01

Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to

relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships.

Your Erroneous Zones - Wayne W. Dyer 2009-03-17

THE RECORD-BREAKING, #1 NEW YORK TIMES BESTSELLER - OVER 35 MILLION COPIES SOLD The first book by Wayne Dyer, author of the multimillion-copy bestseller *Pulling Your Own Strings* and national bestsellers *There's a Spiritual Solution to Every Problem* and *Wisdom of the Ages*, a positive and practical guide to breaking free from the trap of negative thinking and enjoying life to the fullest. If you're plagued by guilt or worry and find yourself unwittingly falling into the same old self-destructive patterns, then you have "erroneous zones" - whole facets of your approach to life that act as barriers to your success and happiness. Perhaps you believe that you have no control over your feelings and reactions - Dyer shows how you can take charge of yourself and manage how much you will let difficult times and people affect you. Or maybe you spend more time worrying what others think than working on what you want and need - Dyer points the way to true self-reliance. From self-image problems to over-dependence on others, Dyer gives you the tools you need to break free from negative thinking and enjoy life to the fullest.

The Magic of Thinking Big - David J. Schwartz 2014-12-02

The timeless and practical advice in *The Magic of Thinking Big* clearly demonstrates how you can: Sell more Manage better Lead fearlessly Earn more Enjoy a happier, more fulfilling life With applicable and easy-to-implement insights, you'll discover: Why believing you can succeed is essential How to quit making excuses The means to overcoming fear and finding confidence How to develop and use creative thinking and dreaming Why making (and getting) the most of your attitudes is critical How to think right towards others The best ways to make "action" a habit How to find victory in defeat Goals for growth, and How to think like a leader "Believe Big," says Schwartz. "The size of your success is determined by the size of your belief. Think little goals and expect little achievements. Think big goals and win big success. Remember this, too! Big ideas and big plans are often easier -- certainly no more difficult - than small ideas and small plans."

Your Sacred Self - Wayne W. Dyer 2009-10-13

The bestselling author of *Your Erroneous Zones*, *Pulling Your Own Strings*, and *Wisdom of the Ages* combines psychological insights and guidelines for achieving spiritual fulfillment to present a three-step program designed to help readers look inside themselves to find a new sense of self-awareness and spiritual joy. Developing the sacred self, Wayne Dyer explains, brings an understanding of our place in the world and a sense of satisfaction in ourselves and others. In *Your Sacred Self*, Dyer offers a program that helps listeners establish a spiritually-oriented, rather than an ego-oriented, approach to life. Step by step, Dyer shows

us how to progress from emotional awareness to psychological insight to spiritual alternatives in order to change our experience of life from the need to acquire to a sense of abundance; from a sense of one's self as sinful and inferior to a sense of one's self as divine; from a need to achieve and acquire to an awareness that detachment and letting go bring freedom. Your Sacred Self is an inspiring, hopeful, illuminating guide that can help everyone live a happier, richer, more meaningful life. *Piensa diferente, vive diferente* - Samuel R. Chand 2019-05-07

"Nuestros procesos de pensamiento son tan familiares, tan arraigados, que no podemos imaginar pensar de una manera nueva. Es como si nuestras mentes estuvieran ejecutando un software anticuado que es lento, con muchas fallas y que es improductivo, pero es todo lo que hemos conocido. ¡Necesitamos actualizar el software en nuestras cabezas!" - Sam Chand Algunas personas pensaban que estaban haciendo a Sam Chand "una oferta que no podía rechazar" cuando lo invitaron a hablar en un evento de dos días en el extranjero. Después de todo, estaban pagando por vuelos en primera clase y alojamiento tanto para Chand como para su esposa, además de pagar un generoso honorario. Pero él no aprovechó la oportunidad. Chand tan solo estaba interesado en "el impacto existencial a largo plazo" en los asistentes. Él preguntó: "¿Todas las actividades me darán la oportunidad de influir en personas influyentes? ¿Puedo ser parte de una experiencia que deje una marca en el liderazgo, en lugar de tan solo un evento de liderazgo? ". En lugar de ganar dinero, Chand estaba interesado en construir relaciones. Él estaba pensando de una manera diferente a como ellos pensaban. Chand señala que nuestras percepciones y patrones de pensamiento determinan nuestras emociones, valores y creencias, lo que influye en cómo respondemos a las personas y los eventos. A veces, ni siquiera somos conscientes de las razones detrás de lo que decimos y hacemos, porque nuestras respuestas pueden estar arraigadas desde la infancia. Pero Chand cree que todos nosotros podemos tener una manera diferente de pensar que nos permita crear un nuevo futuro. Él se ha propuesto ayudar a las personas a pensar más allá de los objetivos específicos, y considerar los objetivos y los resultados clave, desafiarse a sí mismos, hacerse preguntas cruciales y "actualizar el software" en sus cabezas. A través de este libro, Chand espera ayudar a otros a "pensar de manera más profunda, más clara y más productiva que nunca antes". Sam Chand te ofrece una manera de desafiarte a ti mismo, hacer preguntas cruciales y "actualizar el software" en tu cabeza, para desarrollar el pensamiento diferente que pueda crearte un nuevo futuro. "Our thought processes are so familiar, so ingrained, that we can't imagine thinking a new way. It's like our minds are running antiquated software that's slow, with lots of glitches, and is unproductive, but it's all we've ever known. We need to upgrade the software in our heads!"—Sam Chand Some people thought they made Sam Chand "an offer he couldn't refuse" when they invited him to speak at a two-day event overseas. After all, they were paying for first-class travel and accommodations for both Chand and his wife, plus throwing in a generous honorarium. But he didn't jump at the opportunity. Chand was only interested in "the long-term, existential impact" on attendees. He asked, "Will every activity give me the opportunity to influence influencers? And can I be part of a leadership journey instead of just a leadership event?" Rather than monetary gain, Chand was interested in building relationships. He was thinking in a different way than they were. Chand notes that our perceptions and thinking patterns determine our emotions, values, and beliefs, influencing how we respond to people and events. Sometimes, we are not even aware of the reasons behind what we say and do because our responses may be ingrained from childhood. But Chand believes all of us can have New Thinking for a New Future. He has set out to help people move beyond specific goals and consider objectives and key results, challenge themselves, ask crucial questions, and "upgrade the software" in their heads. Through this book, Chand hopes to help others "think more deeply, more clearly, and more productively than ever before."

The Millionaire Fastlane - MJ DeMarco 2011-01-04

10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old.

Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

Gifts from Eykis - Wayne W. Dyer 2010-05-18

Bestselling inspirational author Wayne Dyer's classic parable, with a powerful message for achieving happiness here on Earth, now and forever. How would an intelligent visitor from another planet react to life on Earth? Would we welcome that visitor's presence and views? Are we ready for such an open exchange? Weaving together science fiction, spirituality, and philosophy with wisdom, humor, and plain common sense, Dyer tells the story of two peaceful beings from different worlds who work together to enhance the well-being of all. The gifts that Eykis, an alien traveling from a distant, Earth-like planet, brings to the people of Earth help them see themselves in a new light, and compel them to rethink their negative actions. Her insightful offerings will move you to new emotions, new behaviors, and a new understanding of humankind's limitless possibilities.

Thinking, Fast and Slow - Daniel Kahneman 2011-10-25

Major New York Times bestseller Winner of the National Academy of Sciences Best Book Award in 2012 Selected by the New York Times Book Review as one of the ten best books of 2011 A Globe and Mail Best Books of the Year 2011 Title One of The Economist's 2011 Books of the Year One of The Wall Street Journal's Best Nonfiction Books of the Year 2011 2013 Presidential Medal of Freedom Recipient Kahneman's work with Amos Tversky is the subject of Michael Lewis's The Undoing Project: A Friendship That Changed Our Minds In the international bestseller, Thinking, Fast and Slow, Daniel Kahneman, the renowned psychologist and winner of the Nobel Prize in Economics, takes us on a groundbreaking tour of the mind and explains the two systems that drive the way we think. System 1 is fast, intuitive, and emotional; System 2 is slower, more deliberative, and more logical. The impact of overconfidence on corporate strategies, the difficulties of predicting what will make us happy in the future, the profound effect of cognitive biases on everything from playing the stock market to planning our next vacation—each of these can be understood only by knowing how the two systems shape our judgments and decisions. Engaging the reader in a lively conversation about how we think, Kahneman reveals where we can and cannot trust our intuitions and how we can tap into the benefits of slow thinking. He offers practical and enlightening insights into how choices are made in both our business and our personal lives—and how we can use different techniques to guard against the mental glitches that often get us into trouble. Winner of the National Academy of Sciences Best Book Award and the Los Angeles Times Book Prize and selected by The New York Times Book Review as one of the ten best books of 2011, Thinking, Fast and Slow is destined to be a classic.

Can America Survive? - John Hagee 2010-06-29

This paperback version of Pastor John Hagee's newest book has ripped-from-the-headlines updates. New material has been added regarding the death of the dollar, a nuclear Iran, and the rejection of Israel. Further, this New York Times best-selling author says the United States is heading into a "Perfect Storm." Titanic. John F. Kennedy's assassination. 9/11. John Hagee maintains that these American tragedies all have one element in common: they were unthinkable. And in the opening pages of his newest book, *Can America Survive?* Hagee uses these tragedies to prove two points: that the unthinkable can happen and, given the right conditions, the unthinkable can quickly become the inevitable. In *Can America Survive?* Hagee asserts that the seeds for tragedy are once again being sown, evidenced by the disturbing economic, geopolitical, and religious trends that now threaten to dismantle the very nation itself. "Think it can't happen?" Hagee asks in a theme repeated throughout the book. "Think again." Indeed, Hagee presents alarming examples of recent events, current research, scientific evidence, and biblical prophecy that are gathering to create a "perfect storm" that could bring down the "unsinkable" United States of America including: The U.S.'s negligent handling of Israel, and history's evidence of the danger to any nation that challenges Israel's God-mandated right to exist The dangerous belittling of Iran's nuclear threat by careless spy agencies—and the super-weapon that could stop the U.S. in its tracks instantly The chilling biblical prophecy that confirms Iran as one of six countries that will form an Islamic military force "as a cloud to cover the land" The real \$2.5 trillion price tag of healthcare reform, the international currency shifts, and the national economic trends that are poised to bring about the death of the American dollar The criminalization of Christianity around the world; *Can America Survive?* is not just a warning. It is a wake-up call and a rallying cry to Christian citizens everywhere to prevent the next unthinkable American disaster. After all, as Hagee points out, "those who do not remember the mistakes of the past are doomed to repeat them in the future." Think it can't happen? Think again.

Brave New World - Aldous Huxley 2011-07-01

Ranked as one of the 100 best English-language novels of the 20th century by the Modern Library, *Brave New World* is one of the first truly dystopian novels. The title's fantastic world is derived from Huxley's understanding of history and current events—including the aftermath of the Russian Revolution and World War I—and its depiction of the conflict between progress and the human spirit still resonates today.
