**A Brief Guide to Secret Religions** - David V. Barrett 2011-05-26

This wide-ranging book explores the diversity of esoteric and occult beliefs. Neo-Paganism is one of the fastest-growing new religions in the western world where witchcraft or Wicca, Druidry, and Urban Shamanism are thriving. Alongside this there has been an upsurge in New Age ideas of an even wider variety, including astrology, Tarot, numerology, and many others. And then there are members of various schools of occult science, practising High Magic. Why this new interest in old beliefs? Why are millions of educated people today abandoning both the established religion of their parents and 21st century scientific rationalism and turning to magic and esoteric teachings? In their search for spirituality those who follow these paths claim to be applying ancient wisdom to the modern world. The Brief History of Secret Religions, a companion book to The Brief History of Secret Societies, looks at the history and variety of these esoteric movements, where they came from and what they tell us about the world today. Praise for The New Believers: 'an excellent guide to fringe religions that juxtaposes "respectable" movements and those conventionally dismissed as cults.' The Telegraph. 'no-nonsense, comprehensive survey packed with non-judgmental information about the beliefs, aims and activities of such movements. Daily Mail.

Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca Magic - Vivienne Grant 2019-03-13

Do you want to start practicing magic? Not sure where to begin? Become a wiccan now! Wicca is referred to by many as the "Old Religion." Much of modern television and books draw inspiration from the Witch Trials of the 13th century, but in truth, the Wiccan religion is not really that old. Although it is believed that the rituals and practices were hidden from the Christian Church during the dark ages, in which the life of a Pagan would most certainly end in death, it was safe enough to surface in more modern times. This belief is what originally drew most to the religion and practices of Wicca. To become a Wiccan, one must be able to put themselves in the boots of those before them. To truly understand the laws, beliefs and traditions that come with the life of a Wiccan, you must have the knowledge of all of its origins. The most important thing in a Wiccan's pursuit for a deeper connection and better understanding of Nature - and all its divine mystery - is the willingness to learn about the history behind that need. The Wiccan Religion is truly the only one of its kind. It is magical in its own way as it allows each of its followers the freedom to seek out the natural magic of the earth and the magic within themselves in their own way. *Traditional Wicca* - Thorn Mooney 2018-07-08

A Down-to-Earth Guide to Traditional Wicca While there are many powerful variations of contemporary Witchcraft, traditional Wicca offers unique experiences for those who seek it out. This book explores structured, coven-based styles of Wicca, in which the practitioners typically trace initiatory lineages back to Wicca's early founders. Discussing covens, initiations, lineages, practices, ethics, and more, *Traditional Wicca* shares tips and ideas on how to get the most from this profound approach to Witchcraft. Discover how to recognize healthy, reputable covens. Learn how to navigate the process of asking for training and succeeding in an outer court. Explore the spiritual strength of lineages, hierarchies, and initiation. This book also includes contributions from several practitioners, providing valuable first-person perspectives on what it's like to be on the traditional Wiccan path. Praise : "Like the bristles of a besom, Thorn Mooney's *Traditional Wicca* sweeps through the subject of Witchcraft removing the dust and dirt of ignorance and prejudice to reveal the true heart of Wicca. Thorn writes with obvious sincerity, with feeling, and from experience. Her book covers everything from defining Witchcraft, through the workings of a coven, to actual initiation and beyond. She warns that Wicca is not for

everyone and—I am personally delighted to see—includes a chapter on recognizing 'Red Flags' when first contacting others...especially those who might claim to be more than they actually are. This book is the quintessential guide for the true, sincere seeker."—Raymond Buckland, author of *Buckland's Complete Book of Witchcraft* "Traditional Wicca is a unique and important book. It's amazing to me that in over 70 years of publishing on the subject of Wicca, nothing like this book has ever been written! I'm kind of jealous I didn't think to write it myself. The chapter on initiation is, by itself, worth the cover price. If you want to understand what people mean by 'traditional Wicca,' whether or not you're seeking it, this is the one book you must read."—Deborah Lipp, Wiccan high priestess and author of *Merry Meet Again* "Traditional Wicca is a topic that few actually understand despite its long and distinguished history. With passion and skill, Thorn delivers a book that many familiar with Wicca will wish they had had when they were studying it, and those who find themselves on the path for the first time will rejoice at having found. Whether you intend to seek initiation or not, this book is full of valuable gems that will enhance any practice at any level. Traditional Wicca is an all-inclusive tour through the history, practices, and lore of traditional Wicca that weaves voices from all over the tradition and challenges everything you think you know about it."—Devin Hunter, author of *The Witch's Book of Power* "A masterful gem of insight and wisdom, Traditional Wicca reveals the time-honored practices of initiatory Wicca, thought all but lost by many, but hidden like so many occult secrets in plain sight. Drawing a clear and respectful distinction between eclectic Wicca and its older more traditional sibling, Thorn Mooney takes us on a personal journey exploring the powers and the pitfalls of the initiatory inner court, revealing the persistence of a thriving and dynamic

Craft that is at once orthopraxic and changing, traditional and experimental. With practical advice for the seeker, peppered with personal anecdotes from several practitioners and initiates alike, this book is a much-needed map...Highly recommended."—Storm Faerywolf, author of *Betwixt and Between*

*Solitary Wicca* - Tamara Von Forslun 2021-04-28  
As a leading and respected Elder in the world of Wicca and Witchcraft, also as a teacher for over 50 years, I have assembled for the 21st century Solitary Wiccan or Witch all the training given to the Seeker prior to Initiation into a Traditional Coven or Clan. This book is all that is the required of a Witchling. The Craft is not just about Spells or Magic as this is taught later, it is about Nature, listening and learning from the spirits of Nature, spirituality of the Divine Feminine and becoming one with the magic and mystery within our world and beyond. This book covers every topic needed to understand the full extent of what is within the world of the magic of Wicca in theory and practice. Since the birth of the internet in the 80s, less and less working covens remain to teach our Seekers the deeper insight and wisdom. This book will teach the Seeker how to climb the spiritual ladder of Wicca and find their own magic and Truth.
