Beautiful Blackbird - Ashley Bryan 2011-04-19

A tale from the Ila-speaking people of Zambia gets new life in this picture book adaptation from Coretta Scott King Award winner Ashley Bryan about appreciating one's heritage and discovering the beauty within. Black is beautiful, uh-huh! Long ago, Blackbird was voted the most beautiful bird in the forest. The other birds, who were colored red, yellow, blue, and green, were so envious that they begged Blackbird to paint their feathers with a touch of black so they could be beautiful too. Although Black-bird warns them that true beauty comes from within, the other birds persist and soon each is given a ring of black around their neck or a dot of black on their wings—markings that detail birds to this very day.

How Santa Got His Magic - Stephanie Elizabeth Eklund 2013-07-27

How Santa Got His Magic is a 24 page fully illustrated book about a little boy named Nicholas. He snuck out one night to look at the stars and wondered upon the birth of Jesus. The following year, he remembered his birthday and gave Jesus a gift of an Evergreen Tree. Many years went by and every year Nicholas would leave Jesus a birthday gift. Finally it came to where Nicholas had no idea for a gift, so he asked Jesus what he wanted. Jesus replied "I have all, the best gift you can give is to those that are small." For all the children that have been good throughout the year is worthy of a gift in His honor. Nicholas tries for a year and can't keep up with all the good girls and boys, so once again he returns to The Lord. This time Jesus tells him just to BELIEVE in Him and he will always succeed. From then on, Nicholas was to be known as Santa Claus and is to keep the Christmas spirit alive.

The Beautiful People - Charles Beaumont 2011-03-14

The barren plains of mars held a secret, a yellow metal waiting to be found.

Beauty Pays - Daniel S. Hamermesh 2011-08-02

How beauty leads to better jobs, better wages, and better spouses Most of us know there is a payoff to looking good, and in the quest for beauty we spend countless hours and billions of dollars on personal grooming, cosmetics, and plastic surgery. But how much better off are the better looking? Based on the evidence, quite a lot. The first book to seriously measure the advantages of beauty, Beauty Pays demonstrates how society favors the beautiful and how better-looking people experience startling but undeniable benefits in all aspects of life. Noted economist Daniel Hamermesh shows that the attractive are more likely to be employed, work more productively and profitably, receive more substantial pay, obtain loan approvals, negotiate loans with better terms, and have more handsome and highly educated spouses. Hamermesh explains why this happens and what it means for the beautiful—and the not-so-beautiful—among us. Exploring whether a universal standard of beauty exists, Hamermesh illustrates how attractive workers make more money, how these amounts differ by gender, and how looks are valued differently based on profession. He considers whether extra pay for good-looking people represents discrimination, and, if so, who is discriminating. Hamermesh investigates the commodification of beauty in dating and how this influences the search for intelligent or high-earning mates, and even examines whether government programs should aid the ugly. He also discusses whether the economic benefits of beauty will persist into the foreseeable future and what the "looks-challenged" can do to overcome their disadvantage. Reflecting on a sensitive issue that touches everyone, Beauty Pays proves that beauty's rewards are anything but superficial.

Beauty Sick - Renee Engeln, PhD 2017-04-18

"[Beauty Sick] will blow the top off the body image movement...provocative and necessary." — Rebellious Magazine An award-winning psychology professor reveals how the cultural obsession

with women's appearance is an epidemic that harms women's ability to get ahead and to live happy, meaningful lives, in this powerful, eye-opening work in the vein of Peggy Orenstein and Sheryl Sandberg. Today's young women face a bewildering set of contradictions when it comes to beauty. They don't want to be Barbie dolls but, like generations of women before them, are told they must look like them. They're angry about the media's treatment of women but hungrily consume the outlets that belittle them. They mock modern culture's absurd beauty ideal and make videos exposing Photoshopping tricks, but feel pressured to emulate the same images they criticize by posing with a "skinny arm." They understand that what they see isn't real but still download apps to airbrush their selfies. Yet these same young women are fierce fighters for the issues they care about. They are ready to fight back against their beauty-sick culture and create a different world for themselves, but they need a way forward. In Beauty Sick, Dr. Renee Engeln, whose TEDx talk on beauty sickness has received more than 250,000 views, reveals the shocking consequences of our obsession with girls' appearance on their emotional and physical health and their wallets and ambitions, including depression, eating disorders, disruptions in cognitive processing, and lost money and time. Combining scientific studies with the voices of real women of all ages, she makes clear that to truly fulfill their potential, we must break free from cultural forces that feed destructive desires, attitudes, and words—from fat-shaming to denigrating commentary about other women. She provides inspiration and workable solutions to help girls and women overcome negative attitudes and embrace their whole selves, to transform their lives, claim the futures they deserve, and, ultimately, change their world.

Beautiful People - Wendy Holden 2010-04-01

"When she's good, she's very, very good, and Beautiful People finds Holden on steroids. Unmissable." -Daily Mirror A witty, utterly addictive novel from bestselling author Wendy Holden, Beautiful People is a tale wicked in its observations yet buoyant at its heart: an irresistible confection you'll want to devour immediately. Darcy—a struggling English rose actress when The Call comes from L.A. An Oscar-tastic director. A movie to make her famous. The hunkiest costar in Hollywood. So why doesn't she want to go? Belle—a size-zero film star but she's in big, fat trouble. Hotter than the earth's core a year ago, she's now Tinseltown toast after her last film bombed. Can she get back to the big time? Emma—a down-to-earth, down-on-her-luck nanny trying to weather London's cutthroat childcare scene and celebrity mom whirlwinds. What will it take for her to get back in control of her own life? Jet to London, Hollywood, and Italy; toss in a passionate star chef, a kindhearted paparazzo, and a reluctant male supermodel; and find Wendy Holden at her best—a smash international hit.

Miss Peregrine's Peculiar Children Boxed Set - Ransom Riggs 2017-10-03

Together for the first time--the #1 "New York Times" bestseller "Miss Peregrine's Home for Peculiar Children" and its two sequels, "Hollow City" and "Library of Souls," packaged in a beautifully designed slipcase with a collectible postcard. Consumable.ble.

Why Beautiful People Have More Daughters - Alan Miller 2008-09-02 Now available in paperback? a provocative new look at biology, evolution, and human behavior ?as disturbing [as it is] fascinating? (Publishers Weekly). Why are most neurosurgeons male and most kindergarten teachers female? Why aren't there more women on death row? Why do so many male politicians ruin their careers with sex scandals? Why and how do we really fall in love? This engaging book uses the latest research from the field of evolutionary psychology to shed light on why we do the things we do?from life plans to everyday decisions. With a healthy disregard for political correctness, Miller and Kanazawa reexamine the

fact that our brains and bodies are hardwired to carry out an evolutionary mission? an inescapable human nature that actually stopped evolving about 10,000 years ago.

[All People Are Beautiful](#) - Vincent Kelly 2021-08-15

An important book for early readers that highlights the beauty of our differences. All cultures are beautiful. All languages are beautiful. Celebrating our differences is beautiful!

How Beautiful We Were - Imbolo Mbue 2021-03-09

A fearless young woman from a small African village starts a revolution against an American oil company in this sweeping, inspiring novel from the New York Times bestselling author of *Behold the Dreamers*. ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times, People • ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, The Washington Post, Esquire, Good Housekeeping, The Christian Science Monitor, Marie Claire, Ms. magazine, BookPage, Kirkus Reviews "Mbue reaches for the moon and, by the novel's end, has it firmly held in her hand."—NPR We should have known the end was near. So begins Imbolo Mbue's powerful second novel, *How Beautiful We Were*. Set in the fictional African village of Kosawa, it tells of a people living in fear amid environmental degradation wrought by an American oil company. Pipeline spills have rendered farmlands infertile. Children are dying from drinking toxic water. Promises of cleanup and financial reparations to the villagers are made—and ignored. The country's government, led by a brazen dictator, exists to serve its own interests. Left with few choices, the people of Kosawa decide to fight back. Their struggle will last for decades and come at a steep price. Told from the perspective of a generation of children and the family of a girl named Thula who grows up to become a revolutionary, *How Beautiful We Were* is a masterful exploration of what happens when the reckless drive for profit, coupled with the ghost of colonialism, comes up against one community's determination to hold on to its ancestral land and a young woman's willingness to sacrifice everything for the sake of her people's freedom.

Beautiful Music for Ugly Children - Kirstin Cronn-Mills 2012-10-08

Gabe has always identified as a boy, but he was born with a girl's body. With his new public access radio show gaining popularity, Gabe struggles with romance, friendships, and parents. His entire future is threatened when several violent guys find out that Gabe the DJ is also Elizabeth from school.

A Day in the Life - Robert Greenfield 2010-06-29

A Day in the Life is the story of how the ideal marriage between two young and extraordinarily beautiful members of the English upper class fell apart as the psychedelic dreams of the sixties gave way to the harsh, hard-rock reality of the seventies. A tender, moving, and often harrowing look at the moment in time when the counterculture collided with the international jet set, *A Day in the Life* captures the spirit of that era and the people who lived through it with unerring accuracy and heartfelt precision. When Tommy Weber and Susan "Puss" Coriat, London's most beautiful couple, were married in 1964, it was the fitting end to a storybook romance. But the fast cars Tommy loved to race, their celebrity friends, and the huge trust fund Puss had inherited masked a tortured truth - both had suffered through oppressive and neglectful childhoods and were now caught up in a wildly extravagant lifestyle that neither Puss' inheritance nor Tommy's increasingly desperate schemes could support. Six years later, Puss found herself wandering around India with her two sons while Tommy, who was now smuggling drugs to survive, lived in London with a stunning young actress. *A Day in the Life* is also the stirring account of how the couple's two sons - one of whom is the well-known actor Jake Weber - somehow managed to survive a childhood that would have destroyed those of lesser spirit. An unbelievable true-life tale that often reads like a novel, *A Day in the Life* follows the fortunes and misfortunes of one remarkable family while also introducing us to an extensive cast of supporting characters that includes Keith Richards, Anita Pallenberg, Mick Jagger, Jimi Hendrix, Eric Clapton, George Harrison, John Lennon, and Charlotte Rampling, as well as many of the movers and shakers who helped create the "swinging London" scene.

[The Many Daughters of Afong Moy](#) - Jamie Ford 2022-08-02

A Read With Jenna Today Show Book Club Pick! The New York Times bestselling author of the "mesmerizing and evocative" (Sara Gruen, author of *Water for Elephants*) *Hotel on the Corner of Bitter and Sweet* returns with a powerful exploration of the love that binds one family across the generations. Dorothy Moy breaks her own heart for a living. As Washington's former poet laureate, that's how she describes channeling her dissociative episodes and mental health struggles into

her art. But when her five-year-old daughter exhibits similar behavior and begins remembering things from the lives of their ancestors, Dorothy believes the past has truly come to haunt her. Fearing that her child is predestined to endure the same debilitating depression that has marked her own life, Dorothy seeks radical help. Through an experimental treatment designed to mitigate inherited trauma, Dorothy intimately connects with past generations of women in her family: Faye Moy, a nurse in China serving with the Flying Tigers; Zoe Moy, a student in England at a famous school with no rules; Lai King Moy, a girl quarantined in San Francisco during a plague epidemic; Greta Moy, a tech executive with a unique dating app; and Afong Moy, the first Chinese woman to set foot in America. As painful recollections affect her present life, Dorothy discovers that trauma isn't the only thing she's inherited. A stranger is searching for her in each time period. A stranger who's loved her through all of her genetic memories. Dorothy endeavors to break the cycle of pain and abandonment, to finally find peace for her daughter, and gain the love that has long been waiting, knowing she may pay the ultimate price.

The Diary of a Young Girl - Anne Frank 1996-02-01

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Mufaro's Beautiful Daughters - John Steptoe 1987-03-31

Mufaro was a happy man. Everyone agreed that his two daughters were very beautiful. Nyasha was kind and considerate as well as beautiful, but everyone -- except Mufaro -- knew that Manyara was selfish, badtempered, and spoiled. When the king decided to take a wife and invited "The Most Worthy and Beautiful Daughters in the Land" to appear before him, Mufaro declared proudly that only the king could choose between Nyasha and Manyara. Manyara, of course, didn't agree, and set out to make certain that she would be chosen. John Steptoe has created a memorable modern fable of pride going before a fall, in keeping with the moral of the folktale that was his inspiration. He has illustrated it with stunning paintings that glow with the beauty, warmth, and internal vision of the land and people of his ancestors.

Beautiful Things - Hunter Biden 2021-04-06

NEW YORK TIMES BESTSELLER "I come from a family forged by tragedies and bound by a remarkable, unbreakable love," Hunter Biden writes in this deeply moving and "unflinchingly honest" (Entertainment Weekly) memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In *Beautiful Things*—"an astonishingly candid and brave book about loss, human frailty, wayward souls, and hard-fought redemption" (Dave Eggers, New York Times bestselling author)—Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.

Order By Accident - Alan Miller 2018-02-19

While the consequences of low social order are well understood, the consequences of high social order are not. Yet perhaps nowhere in the world is social order so well developed as in Japan, which is highly organized, economically successful, and enjoys a safe society. However, Japan pays a price—the loss of personal freedom, and the inability to exploit its citizens' talents. In *Order by Accident*, Alan S. Miller and Satoshi Kanazawa discuss the consequences of high social order in

Japan. They integrate a wide range of scholarship on Japan, ranging from studies by criminologists, to religious studies, to the most current social psychological studies. The results are sometimes startling and counterintuitive, since the same theory of social order explains equally well why Japan has an orderly society with low street crimes, but is plagued with problems such as white collar crime.

Beautiful World, Where Are You - Sally Rooney 2021-09-07

AN INSTANT #1 NEW YORK TIMES BESTSELLER Beautiful World, Where Are You is a new novel by Sally Rooney, the bestselling author of Normal People and Conversations with Friends. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Something Beautiful - Sharon Dennis Wyeth 1998

When she goes looking for "something beautiful" in her city neighborhood, a young girl finds beauty in many different forms.

Beautiful Children - Charles Bock 2009-01-13

The New York Times bestseller by the author of the forthcoming novel Alice & Oliver | Winner of the Sue Kaufman Prize for First Fiction from the American Academy of Arts and Letters | A New York Times Notable Book "One word: bravo."—The New York Times Book Review "Truly powerful . . . Beautiful Children dazzles its readers on almost every page. . . . [Charles Bock] knows how to tug at your heart, and he knows how to make you laugh out loud, often on the same page, sometimes in the same sentence."—Newsweek One Saturday night in Las Vegas, twelve-year-old Newell Ewing goes out with a friend and doesn't come home. In the aftermath of his disappearance, his mother, Lorraine, makes daily pilgrimages to her son's room and tortures herself with memories. Equally distraught, the boy's father, Lincoln, finds himself wanting to comfort his wife even as he yearns for solace, a loving touch, any kind of intimacy. As the Ewings navigate the mystery of what's become of their son, the circumstances surrounding Newell's vanishing and other events on that same night reverberate through the lives of seemingly disconnected strangers: a comic book illustrator in town for a weekend of debauchery; a painfully shy and possibly disturbed young artist; a stripper who imagines moments from her life as if they were movie scenes; a bubbly teenage wiccan anarchist; a dangerous and scheming gutter punk; a band of misfit runaways. The people of Beautiful Children are "urban nomads," each with a past to hide and a pain to nurture, every one of them searching for salvation and barreling toward destruction, weaving their way through a neon underworld of sex, drugs, and the spinning wheels of chance. In this masterly debut novel, Charles Bock mixes incandescent prose with devious humor to capture Las Vegas with unprecedented scope and nuance and to provide a glimpse into a microcosm of modern America. Beautiful Children is an odyssey of heartache and redemption heralding the arrival of a major new writer. Praise for Beautiful Children "Exceptional . . . This novel deserves to be read more than once because of the extraordinary importance of its subject matter."—The Washington Post Book World "Magnificent . . . a hugely ambitious novel that succeeds . . . Beautiful Children manages to feel completely of its moment while remaining unaffected by literary trends. . . . Charles Bock is the real thing."—The New Republic "A wildly satisfying and disturbing literary journey, led by an author of blazing talent."—The Dallas Morning News "Wholly original—dirty, fast, and hypnotic. The sentences flicker and skip and whirl."—Esquire "An anxious, angry, honest first novel filled with compassion and clarity . . . The language has a rhythm wholly its own—at moments it is stunning, near genius."—A. M. Homes "From start to finish, Bock never stops tantalizing the reader."—San Francisco Chronicle "Rich and compelling . . . captures the hallucinogenic setting like a fever dream."—Los Angeles Times

The Beauty Myth - Naomi Wolf 2009-03-17

The bestselling classic that redefined our view of the relationship between beauty and female identity. In today's world, women have more power, legal recognition, and professional success than ever before. Alongside the evident progress of the women's movement, however, writer and journalist Naomi Wolf is troubled by a different kind of social control, which, she argues, may prove just as restrictive as the traditional image of homemaker and wife. It's the beauty myth, an

obsession with physical perfection that traps the modern woman in an endless spiral of hope, self-consciousness, and self-hatred as she tries to fulfill society's impossible definition of "the flawless beauty."

The Giving Tree - Shel Silverstein 2014-02-18

As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic*!

The State of the World's Children 2003 - 2002

The Beautiful People's Diet Book - Luciana Avedon 1973

Games Primates Play - Dario Maestri 2012-04-10

A primatologist examines unspoken social customs, from jilting a lover to being competitive on the job, to explain how behavioral complexities are linked to humans' primate heritage.

Lifetimes - Bryan Mellonie 2009-09-16

When the death of a relative, a friend, or a pet happens or is about to happen . . . how can we help a child to understand? Lifetimes is a moving book for children of all ages, even parents too. It lets us explain life and death in a sensitive, caring, beautiful way. Lifetimes tells us about beginnings. And about endings. And about living in between. With large, wonderful illustrations, it tells about plants. About animals. About people. It tells that dying is as much a part of living as being born. It helps us to remember. It helps us to understand. Lifetimes . . . a very special, very important book for you and your child. The book that explains—beautifully—that all living things have their own special Lifetimes.

Hair Love - Matthew Cherry 2019-05-02

Based on the Oscar winning short film! It's up to Daddy to give his daughter an extra-special hair style in this story of self-confidence and the love between fathers and daughters. Zuri knows her hair is beautiful, but it has a mind of its own! It kinks, coils, and curls every which way. Mum always does Zuri's hair just the way she likes it - so when Daddy steps in to style it for an extra special occasion, he has a lot to learn. But he LOVES his Zuri, and he'll do anything to make her - and her hair - happy. Tender and empowering, Hair Love is an ode to loving your natural hair - and a celebration of daddies and daughters everywhere.

Beautiful Girl, Do You Know? - Stacy Hester-Lockett 2020-07-05

When the Beautiful Girl looks in the mirror, she doesn't see or feel that she is beautiful. Through scripture, her reflection reminds her of her identity in Christ and her worth. Designed to build confidence and knowledge of God's word, this beautifully illustrated book reminds girls everywhere that they are Beautiful. Not only will they know who they are, they will know whose they are.

Beautiful People Don't Just Happen - Scott Sauls 2022-06-14

Find the freedom from regret, hurt, and fear that God wants for you while discovering joy, relief, and hope as you become the beautiful human he created you to be. We all carry regret, hurt, and fear. These are burdens that weigh us down and make us feel trapped. In twenty-five years of pastoral ministry, Scott Sauls has come alongside countless individuals and communities through weary seasons and circumstances. From his own seasons of regret, hurt, and fear—including battles with anxiety and depression—he knows what it's like to be unfinished and on the mend under Jesus' merciful, mighty healing hand. Beautiful People Don't Just Happen reads like a field guide that can help you: Find hope in how God is drawn toward you, not appalled by you, in your sin and sorrow. Practice emotional health with joy, gratitude, and lament. Quiet

shaming, wearying thoughts with God's divine counter-voice. Discover how the defining feeling of faith is not strength but dependent weakness. Learn what the Bible calls "the secret of being content" in every circumstance. Dare to embrace the contentment, hope, and fullness God wants for you—offered to all who will receive it.

Why Beautiful People Have More Daughters - Alan Miller 2007-09-04
Now available in paperback? a provocative new look at biology, evolution, and human behavior? as disturbing [as it is] fascinating? (Publishers Weekly). Why are most neurosurgeons male and most kindergarten teachers female? Why aren't there more women on death row? Why do so many male politicians ruin their careers with sex scandals? Why and how do we really fall in love? This engaging book uses the latest research from the field of evolutionary psychology to shed light on why we do the things we do? from life plans to everyday decisions. With a healthy disregard for political correctness, Miller and Kanazawa reexamine the fact that our brains and bodies are hardwired to carry out an evolutionary mission? an inescapable human nature that actually stopped evolving about 10,000 years ago.

You are an Amazing Girl - Nadia Ross 2021

Beautiful People - Simon Doonan 2009-04-14

A wickedly funny memoir with echoes of David Sedaris and Augusten Burroughs, *Beautiful People* (originally published in hardcover as *Nasty*) is now a BBC comedy hit series from the producer of *Ab Fab* and *The Office*. Proclaimed "the most brilliant, brash thing in type" by Liz Smith, Simon Doonan's saucy prose has established him as an emerging star among literary humorists. In this break-through memoir, reminiscent of both Sedaris and Burroughs, he revisits the landscape of his youth, and displays the irresistible charm that earned him his dedicated audience. Long before he became a celebrity in his own right—as the author of best-selling books, as the style arbiter of VH1 and America's Top Model, and the marketing genius behind Barney's New York—Simon Doonan was a "scabby knee'd troll" in Reading, England. In *Beautiful People*, Doonan returns to the working-class neighborhood of his youth, and chronicles the misadventures of the Doonan clan in all their wacky glory. Readers meet his mother Betty, whose gravity-defying, peroxide hairdo signified her natural glamour; his father Terry, an amateur vintner who turned parsnips into the legendary Chateau Doonan; his grandfather D.C., a hard-drinking betting man who plotted to win his fortune by turning Simon into a jockey; and his demented grandma Narg and schizophrenic Uncle Ken, both of whom lived upstairs. Fearing he would fall victim to the insanity that runs in his family, or, worse, the banality of suburban life, Doonan decamps with his flamboyant best-friend Biddie to London, where they hope to find the Beautiful People, that elusive clan who luxuriate on floor pillows and amuse each other with bon mots. Throughout the memoir—in essays about family holidays, the tart who lived next door, his first job—Doonan continues his bumbling pursuit of the fabulous life, only to learn, in the end, that perhaps the Beautiful People were the ones he left behind.

All Different and Beautiful - Belle Belrose 2020-11-23

Meet Orion, a happy and loving young boy who befriends classmates despite their differences and struggles. This heartwarming story is ideal for parents and teachers to tackle difficult topics in a fun, positive manner.

Physical Attractiveness and the Accumulation of Social and Human Capital in Adolescence and Young Adulthood - Rachel A Gordon 2014-01-13

Beauty has a well-documented impact on labor market outcomes with both legal and policy implications. This monograph investigated whether this stratification is rooted in earlier developmental experiences. Specifically, we explored how high schools' dual roles as contexts of social relations and academic progress contributed to the long-term socioeconomic advantages of being physically attractive. Integrating theories from multiple disciplines, the conceptual model of this study contends that physically attractive youths' greater social integration and lesser social stigma help them accumulate psychosocial resources that support their academic achievement while also selecting them into social activities that distract from good grades. A mixed-methods design, combining statistical analyses of the National Longitudinal Survey of Adolescent Health and qualitative analyses of a single high school, supported and expanded this model. The data revealed that the benefits of attractiveness flowed through greater social integration but were partially offset by social distractions, especially romantic/sexual partnerships and alcohol-related problems. Interview and ethnographic data further revealed that adolescents themselves understood how

physical attractiveness could lead to favorable treatment by teachers and classmates while also enticing youth to emphasize socializing and dating, even when the latter took time from other activities (like studying) and marginalized some classmates. These patterns, in turn, predicted education, work, family, and mental health trajectories in young adulthood. The results of this interdisciplinary, theoretically grounded, mixed methods study suggest that adolescence may be a critical period in stratification by physical appearance and that the underlying developmental phenomena during this period are complex and often internally contradictory. The monograph concludes with discussion of theoretical and policy implications and recommendations for future developmental research.

Black, Bold & Beautiful - Jemema Thomas 2021-07-16

Nicole, a beautiful dark-skinned girl, was excited to move from her native Island Tortola, British Virgin Islands to America. Upon arriving at her new school in America, she was ridiculed and teased for being the only one in her class with different colored hair and skin. Sad and confused, she reported it to her mother, who reminded her about how beautiful she was by giving examples of strong black women who made history like Harriet Tubman and Kamala Harris. By the end of the book, Nicole learns that it is ok to be different. She learns that it is okay to be black, bold, and beautiful just the way you are. A great book for ages 7-13 and also a great read for parents.

Why Beautiful People Have More Daughters - Alan S. Miller 2007

An analysis of the ways in which evolution shapes human behavior and human lives draws on the field of evolutionary psychology to offer revealing glimpses of human nature and to shed new light on why humans do the things that they do.

Frog Finds a Place - Sally Morgan 2015-11-01

The Mother of All Questions - Rebecca Solnit 2017-02-12

A collection of feminist essays steeped in "Solnit's unapologetically observant and truth-speaking voice on toxic, violent masculinity" (*The Los Angeles Review*). In a timely and incisive follow-up to her national bestseller *Men Explain Things to Me*, Rebecca Solnit offers sharp commentary on women who refuse to be silenced, misogynistic violence, the fragile masculinity of the literary canon, the gender binary, the recent history of rape jokes, and much more. In characteristic style, "Solnit draw[s] anecdotes of female indignity or male aggression from history, social media, literature, popular culture, and the news . . . The main essay in the book is about the various ways that women are silenced, and Solnit focuses upon the power of storytelling—the way that who gets to speak, and about what, shapes how a society understands itself and what it expects from its members. *The Mother of All Questions* poses the thesis that telling women's stories to the world will change the way that the world treats women, and it sets out to tell as many of those stories as possible" (*The New Yorker*). "There's a new feminist revolution—open to people of all genders—brewing right now and Rebecca Solnit is one of its most powerful, not to mention beguiling, voices."—Barbara Ehrenreich, *New York Times*—bestselling author of *Natural Causes* "Short, incisive essays that pack a powerful punch."—*Publishers Weekly* "A keen and timely commentary on gender and feminism. Solnit's voice is calm, clear, and unapologetic; each essay balances a warm wit with confident, thoughtful analysis, resulting in a collection that is as enjoyable and accessible as it is incisive."—*Booklist*

Untamed - Glennon Doyle 2020-03-10

#1 NEW YORK TIMES BESTSELLER • OVER TWO MILLION COPIES SOLD! "Packed with incredible insight about what it means to be a woman today."—Reese Witherspoon (*Reese's Book Club Pick*) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and "patron saint of female empowerment" (*People*) explores the joy and peace we discover when we stop striving to meet others' expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *O: The Oprah Magazine* • *The Washington Post* • *Cosmopolitan* • *Marie Claire* • *Bloomberg* • *Parade* • "Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal."—Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn't it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied

her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world's expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member's ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. *Untamed* shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

It Takes a Village - Hillary Rodham Clinton 2000-07

In celebration of the tenth anniversary of "It Takes a Village," this

splendid edition includes photographs and a new Introduction by Senator Hillary Rodham Clinton. A decade ago, then First Lady Hillary Rodham Clinton chronicled her quest -- both deeply personal and, in the truest sense, public -- to help make our society into the kind of village that enables children to become smart, able, resilient adults. "It Takes a Village" is "a textbook for caring.... Filled with truths that are worth a read, and a reread" "(The Dallas Morning News)." For more than thirty-five years, Senator Clinton has made children her passion and her cause. Her long experience -- not only through her roles as mother, daughter, sister, and wife but also as advocate, legal expert, and public servant -- has strengthened her conviction that how children develop and what they need to succeed are inextricably entwined with the society in which they live and how well it sustains and supports its families and individuals. In other words, it takes a village to raise a child. In her new Introduction, Senator Clinton reflects on how our village has changed over the last decade -- from the impact of the Internet to new research in early child development and education. She discusses issues of increasing concern -- security, the environment, the national debt -- and looks at where we have made progress and where there is still work to be done. "It Takes a Village" has become a classic. As relevant as ever, this anniversary edition makes it abundantly clear that the choices we make today about how we raise our children and how we support families will determine how our nation will face the challenges of this century.
