Basic Swedish - Ian Hinchliffe
2018-03-26

Basic Swedish: A Grammar and Workbook combines an accessible basic reference grammar and related exercises in one volume, and covers most of the topics that students might expect to deal with in their first year of learning Swedish. Each of the 25 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow. The book introduces the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text that outlines an aspect of Swedish culture and exemplifies and consolidates the grammar topic examined in the unit. Features include: clear grammatical explanations with examples in Swedish and English vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance cross-references to other units over 100 exercises with a key to all the

correct answers full vocabulary list at the end of the book. The book is suitable both for independent study and for class use. It can be used by absolute beginners and those who have advanced a little further.

offers tips and advice on how to be a good language learner 25 short learning units each contain: communication goals to guide your studies grammar explanations with embedded exercises vocabulary presentations and activities reading sections to consolidate your learning

Swedish - Gladys Hird

1980-03-13

This grammar-reader is based on almost twenty years' experience of teaching beginners the Swedish language and is reassuringly practical in approach. Miss Hird's aims are threefold: to provide a compromise between the traditional grammar-readers and the new textbooks which are not designed for beginners outside Sweden; to supply grammatical information and exercises and reading texts together for ease of reference; and to stimulate the student's interest in Swedish life, institutions and culture. The grammar part of the book is in seventeen lessons, each comprising a text in Swedish which Miss Hird

has specially composed to include useful vocabulary and graded grammatical points upon which exercises (including translation exercises) are set for practice. The central theme of the texts is Stockholm, and attractive drawings illustrate it. To help the student, there is a full vocabulary list covering all the lessons, a brief summary of Swedish grammar, a glossary of grammatical terms, a check list of irregular verbs and a comprehensive index of the grammatical points covered in the book. In the reader part of the book, the texts chosen range from a short play by Strindberg to a sketch by Stig Claesson, one of Sweden's most popular contemporary authors. Each text is preceded by a short biographical and literary introduction and is followed by questions designed to test the student's comprehension and to stimulate his appreciation.

Swedish - Lars Svensson

2020-03-08

Hacking Chinese - Olle Linge

2016-03-26

Learning Chinese can be frustrating and difficult, partly because it's very different from European languages. Following a teacher, textbook or language course is not enough. They show you the characters, words and grammar you need to become proficient in Chinese, but they don't teach you how to learn them! Regardless of what program you're in (if any), you need to take responsibility for your own learning. If you don't, you will miss many important things that aren't included in the course you're taking. If you study on your own, you need to be even more aware of what you need to do, what you're doing at the moment and the difference between them. Here are some of the questions I have asked and have since been asked many times by students: How do I learn characters efficiently? How do I get the most out of my course or teacher? Which are the best learning tools and resources? How can I become fluent in Mandarin? How can I improve

my pronunciation? How do I learn successfully on my own? How can I motivate myself to study more? How can I fit learning Chinese into a busy schedule? The answers I've found to these questions and many others form the core of this book. It took eight years of learning, researching, teaching and writing to figure these things out. Not everybody has the time to do that! I can't go back in time and help myself learn in a better way, but I can help you! This book is meant for normal students and independent language learners alike. While it covers all major areas of learning, you won't learn Chinese just by reading this book. It's like when someone on TV teaches you how to cook: you won't get to eat the delicious dish just by watching the program; you have to do the cooking yourself. That's true for this book as well. When you apply what you learn, it will boost your learning, making every hour you spend count for more, but you still have to do the learning yourself. This is what

a few readers have said about the book: "The book had me nodding at a heap of things I'd learnt the hard way, wishing I knew them when I started, as well as highlighting areas that I'm currently missing in my study." - Geoff van der Meer, VP engineering "This publication is like a bible for anyone serious about Chinese proficiency. It's easy for anyone to read and written with scientific precision." - Zachary Danz, foreign teacher, children's theatre artist About me I started learning Chinese when I was 23 (that's more than eight years ago now) and have since studied in many different situations, including serious immersion programs abroad, high-intensity programs in Sweden, online courses, as well as on the side while working or studying other things. I have also successfully used my Chinese in a graduate program for teaching Chinese as a second language, taught entirely in Chinese mostly for native speakers (the Graduate Institute for Teaching Chinese

as a Second Language at National Taiwan Normal University). All these parts have contributed to my website, Hacking Chinese, where I write regularly about how to learn Mandarin.

The Mystery of Nils. Part 1 - Norwegian Course for Beginners. Learn Norwegian - Enjoy the Story. - Werner Skalla 2014-05-07

Are you tired of boring textbooks? "The Mystery of Nils" is a coherent story, which develops into a fascinating novel. Can't stop reading? Then you'll have to learn Norwegian! Includes grammar explanations, exercises, and online materials.

The Brain That Changes Itself - Norman Doidge

2007-03-15

"Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat*

What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more. An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain.

Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a

whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

Swedish Short Stories for Beginners - Lingo Mastery
2021-06-14

Are you trying to learn Swedish - but can't find the right reading material? We understand how difficult it is to find Swedish learning material. Finding the right teacher, books or even peers to study with can be incredibly difficult, and we've been there before. There is a demand... but not enough supply. It can get

frustrating. Which is why we've created Swedish Short Stories for Beginners, a book made to ensure that young and old students at the entry level of learning can take advantage of a valuable opportunity in learning the Swedish tongue. Twenty easy-to-read, entertaining and interesting stories await inside, along with the best tools to help you practice once you're done reading each tale. Our book will ensure you not only can read something that will expand your knowledge on Swedish, but that you will understand and be able to pick it apart piece by piece in your quest for learning. How Swedish Short Stories for Beginners works: - Each story will contain an important lesson of the tools and skills needed to learn the Swedish language (nouns, pronouns, future tense, traveling terms, and more), involving an interesting and entertaining story with realistic dialogues and day-to-day situations. - The summaries follow: a synopsis in Swedish and in English of what

you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Swedish, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! Do you think you can handle it? If the answer is yes, then you're definitely on your way to becoming a fluent Swedish speaker, and we'll certainly make that dream come true! So look no further! Pick up your copy of Swedish Short Stories for Beginners and start learning Swedish right now!

How to Learn Any Language
- Barry Farber 2002-08-01

Fluent in 3 Months - Benny Lewis 2014-03-11

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*.

Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

From science fiction to fantasy, to crime and thrillers, Short Stories in Swedish for Beginners will make learning Swedish easy and enjoyable.

Basic Swedish - Ian Hinchliffe
2018-03-19

Basic Swedish: A Grammar and Workbook combines an accessible basic reference grammar and related exercises in one volume, and covers most of the topics that students might expect to deal with in their first year of learning Swedish. Each of the 25 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow.

The book introduces the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text that outlines an aspect of Swedish culture and exemplifies and consolidates the grammar topic examined in the unit. Features include: clear grammatical explanations with examples in Swedish and English vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance cross-references to other units over 100 exercises with a key to all the

correct answers full vocabulary list at the end of the book. The book is suitable both for independent study and for class use. It can be used by absolute beginners and those who have advanced a little further.

From English to Swedish 1 - Bengt Hällgren 2016-11-20

This is the full color edition. A less expensive black and white edition (ISBN-13: 978-1540529954, ISBN-10: 1540529959) is also available. From English to Swedish 1 & 2 is a series of textbooks for English speaking students who would like to learn Swedish. The first book covers level A1 and the second book level A2 of the European CEFR-scale. Unlike most Swedish textbooks they provide vocabulary lists, grammar explanations, and text commentaries in English. To help the reader learn Swedish pronunciation, a series of videos linked to the first book is available on YouTube (see <https://www.youtube.com/watch?v=mEQVgbDPZ4I>). The texts of the two books tell the story

of an American girl who comes as an exchange student to live in a Swedish family. She struggles to learn Swedish and adapt to Swedish culture, but in the process runs into a number of cultur clashes, all based on the authors' real life experiences. ◆ke Daun, professor of ethnology from Stockholm University and a specialist in Swedish mentality, has examined the first book and describes the way it introduces Swedish mentality as "innovative and entertaining". To facilitate the student's learning the books take advantage of the close relationship between English and Swedish. Many of the words appearing in the texts are similar to their English counterparts. Having finished both books, the student will have acquired a vocabulary of slightly more than 1,500 words including 57 % of the 2,000 most frequent words of the Swedish language as defined by Spr◆kbanken (the Language Bank), a data base published by the University of Gothenburg. In an appendix to

book 1, the similarities between English and Swedish are explained from an historical perspective, and over 300 related words from different areas are presented. Each chapter in the books contains a short grammar section presenting essentials in Swedish morphology and syntax. All grammatical terms, except the most common ones, are explained. At the end of each book there is a grammar overview with definitions of concepts and references to relevant chapters. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained grammar knowledge, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open-ended in order to stimulate reflection and discussion in class. Furthermore, a number of songs with simple vocabulary are included, mainly children's songs by classic song-writers. Finally, each book contains

answers to the exercises and a complete alphabetical glossary. Judgments about From English to Swedish 1: "I'm just learning Swedish, and this book is wonderful. The style & methodology are ideal. Highly recommend." (Amazon, USA) "I've tried to start learning Swedish several times with at least 4 books, and finally I've found one that is didactic enough to keep me going! Very natural way of teaching, the closest thing I've seen to have a teacher that prepares a class for you. I'm already looking for the 2nd book!" (Amazon, Spain)

Swedish: An Essential Grammar - Ian Hinchliffe
2008-03-10

This fully revised second edition of Swedish: An Essential grammar incorporates the changes proposed to the Swedish grammar by Svenska Akademiens Grammatik. All examples have been fully updated, the bibliography has been expanded and a number of tables clarified. Swedish: An Essential grammar provides a fresh and accessible

description of the language. It is suitable for independent study or for class-based students. The explanations are free of jargon and emphasis has been placed in the areas of Swedish that pose a particular challenge for English-speaking learners.

Shortcut to Swedish - Annika Svensson
2017-03-08

Discover the Basics of the Swedish Language Quickly and Easily. By focusing on the ways in which Swedish is similar to English, and by only teaching high-frequency words, this book gives the reader a shortcut to learning the Swedish language for beginners.

Fluent Forever - Gabriel Wyner
2014-08-05

NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty

years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a

foreign language in the spare minutes of your day.

A Student Grammar of Turkish

- F. Nihan Ketrez 2012-05-17

A concise introduction to Turkish grammar, designed specifically for English-speaking students and professionals.

Intermediate Swedish - Ian Hinchliffe 2019

Intermediate Swedish: A Grammar and Workbook

combines an accessible intermediate reference grammar and related exercises in one volume that covers most of the topics that students might expect to deal with in their second year of learning Swedish. The book follows on naturally from and complements its companion volume, Basic Swedish. Each of the 26 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow. The book presents the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text which

outlines an aspect of Swedish culture and, in nearly all cases, exemplifies and consolidates the grammar topic examined in the unit. Features include: * clear grammatical explanations with examples in Swedish and English * vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance * cross-references to other units * over 100 exercises with a key to all the correct answers. The book is suitable both for independent study and for class use. It can be used by intermediate students and those who have grasped the basics of grammar and vocabulary. Grammatical explanations with examples in Swedish and English * vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance * cross-references to other units * over 100 exercises with a key to all the correct answers. The book is suitable both for independent study and for class use. It can be used by intermediate students and

those who have grasped the basics of grammar and vocabulary.

Teaching English Grammar to Speakers of Other

Languages - Eli Hinkel

2016-01-29

This practical and research-based introduction to current and effective English grammar instruction gives pre-service and in-service teachers and teacher educators a strong foundation for teaching second language grammar and helps them develop their professional knowledge and skills. Written in a highly readable style for an international audience, it provides a thorough and rounded overview of the principles, strategies, techniques, and applications currently dominant in teaching L2 grammar in a range of instructional settings around the world. Chapter authors are world-class authorities in grammar and grammar teaching and learning. All chapters are based on theoretical frameworks and/or

research foundations with a strong emphasis on practical applications and implications for classroom teaching, and highlight teaching methods, key concepts, and terminology associated with grammar instruction. Illuminating the options and choices in grammar teaching from a contemporary perspective, *Teaching English Grammar to Speakers of Other Languages* is ideal as key text for students in undergraduate and graduate MA-TESOL programs and as a resource for practicing ESL/EFL teachers, teacher educators, and teaching faculty.

201 Swedish Verbs: Fully Conjugated in All the Tenses

- Richard Auletta 1977-12-31

Verbs are presented alphabetically, one verb to a page, and shown in all of their forms.

A Lagom Guide to Swedish: A Say it in Swedish Book

- Joakim Andersson 2021-07-22

This is not a Swedish grammar book. This is a book of epiphanies, a book of revelations, even. When

something peculiar and inexplicable turns up that you, drenched in tears, crave answers to, this is the book you turn to. This is your new study buddy, your personal native Swede, a collection of short sticky-note sized chunks of information packed with commonly asked questions, pronunciation secrets, fun facts, and good to know, that will immediately bring your Swedish to the next level.

Joakim Andersson is the founder of the popular website, podcast, and YouTube channel "Say it in Swedish" that teaches contemporary Swedish in a fun and casual way. In his first book - A Lagom Guide to Swedish - he has put together a decade of experience, meeting learners online and getting to the bottom of the most peculiar traits of Swedish.

Language Hacking Spanish -

Benny Lewis 2017-03-28

It's true that some people spend years studying Spanish before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, #LanguageHacking shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish

Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a

speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

Swedish Slanguage - Mike Ellis 2017-08-08

The newest volume in Mike Ellis's best-selling Slanguage series will help you learn the basics of the Swedish language. Swedish Slanguage provides translations and pronunciation guides for approximately 300 English words and phrases. Use the pronunciation guide to say them out loud a few times, and soon you'll be speaking basic Swedish words and phrases like "How are you?" (Hear More Due?) and "Cold" (Fur Shilling). Fun and helpful illustrations paired with easy English words to pronounce will have you speaking Swedish

in no time. Mike Ellis is a Web designer with expertise in e-commerce, online marketing, search engine optimization, and affiliate marketing. He's the author of nearly a dozen previous Slanguage books.

Mike helps run a youth athletic league and loves coaching kids in his spare time. He lives with his family near Philadelphia.

Essentials of Swedish Grammar - Ake Viberg
1990-07-18

This compact volume offers an integrated guide to the major grammatical concepts needed for writing and speaking Swedish.

From English to Swedish 1 - Bengt Hällgren 2016-11-20

This is the new, black and white version of From English to Swedish 1. A full color version is also available. Look for ISBN 978-1540452900.

From English to Swedish 1 & 2 is a series of textbooks for English speaking students who would like to learn Swedish. The first book covers level A1 and the second book level A2 of the European CEFR-scale. Unlike most Swedish textbooks they provide vocabulary lists, grammar explanations, and text commentaries in English. To help the reader learn Swedish pronunciation, a series of videos linked to the first book is available on YouTube (see <https://www.youtube.com/watch?v=mEQVgbDPZ4I>). The texts of the two books tell the story of an American girl who comes as an exchange student to live in a Swedish family. She struggles to learn Swedish and adapt to Swedish culture, but in the process runs into a number of culture clashes, all based on the authors' real life

experiences. Uke Daun, professor of ethnology from Stockholm University and a specialist in Swedish mentality, has examined the first book and describes the way it introduces Swedish mentality as "innovative and entertaining". To facilitate the student's learning the books take advantage of the close relationship between English and Swedish. Many of the words appearing in the texts are similar to their English counterparts. Having finished both books, the student will have acquired a vocabulary of slightly more than 1,500 words including 57 % of the 2,000 most frequent words of the Swedish language as defined by Språkbanken (the Language Bank), a data base published by the University of Gothenburg. In an appendix to book 1, the similarities between English and Swedish are explained from an historical point of view, and over 300 related words from different areas are presented. Each chapter in the books contains a short grammar

section presenting essentials in Swedish morphology and syntax. All grammatical terms, except the most common ones, are explained. At the end of each book there is a grammar overview with definitions of concepts and references to relevant chapters. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained grammar knowledge, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open-ended in order to stimulate reflection and discussion in class. Furthermore, a number of songs with simple vocabulary are included, mainly children's songs by classic song-writers. Finally, each book contains answers to the exercises and a complete alphabetical glossary. Judgments about From English to Swedish 1: "I'm just learning Swedish, and this book is wonderful. The style & methodology are ideal. Highly recommend." (Amazon, USA)

"A brilliant book. ... The words and pronunciations are well explained with examples given. Common Swedish vocab is also used in lessons. Quite amazing that by lesson 2 (Lektion 2) I was understanding and translating simple paragraphs and answering questions in full sentences without much difficulty. The two books are a must buy for people looking to learn the Swedish language. ... The second book is just as good as this one." (Amazon, England) "I've tried to start learning Swedish several times with at least 4 books, and finally I've found one that is didactic enough to keep me going! Very natural way of teaching, the closest thing I've seen to have a teacher that prepares a class for you. I'm already looking for the 2nd book! " (Amazon, Spain) *Swedish - Berlitz Phrase Book and Dictionary* - 2018-05 Berlitz Phrasebook and Dictionary Swedish Compact, clear, and packed with key words and phrases to help conversation, this pocket-sized Swedish phrasebook and
