Elementary Korean - Ross King 2000

Elementary Korean offers a complete, systematic and streamlined first-year course in Korean for the English-speaking adult learner.

Korean Language for Beginners - Andrea De Benedittis 2017-06-07

This book is a complete guide for people who want to learn the Korean language, starting from the very beginning, and learn the alphabet and the correct sounds of vowels, consonants, and diphthongs. It was written for people who want an easy but systematic approach to the language. The writer is a non-native speaker who started learning the language from ZERO, just like you and spent years in Korea trying to reach a better level of proficiency in Korean. After a few weeks of study, you will study to recognize words, make sentences, and have simple (but miraculous) conversations with other Korean speakers!

Integrated Korean Workbook - Mee-Jeong Park 2019-12-31

This workbook accompanies the thoroughly revised third edition of Integrated Korean: Beginning 2, the second volume of the best-selling series developed collaboratively by leading classroom teachers and linguists of Korean. All the series' volumes have been developed in accordance with performance-based principles and methodology—contextualization, learner-centeredness, use of authentic materials, usage-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced in simple but adequate explanations and abundant

examples and exercises. Each situation/topic-based lesson of the main texts consists of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. In response to comments from hundreds of students and instructors of the second edition, this new third edition features an attractive color design with new photos and drawings and lesson and vocabulary exercises that have been fully reorganized. Each lesson contains a conversational text (with its own vocabulary list) and a reading passage. The accompanying workbook—available online as well as in paperback—provides students with extensive skill-using activities based on the skills learned in the main text. Integrated Korean is a project of the Korean Language Education and Research Center (KLEAR) with the support of the Korea Foundation. In addition to the five-level Integrated Korean textbooks and workbooks, volumes include Korean Composition, Korean Language in Culture and Society, Korean Reader for Chinese Characters, Readings in Modern Korean Literature, A Resource for Korean Grammar Instruction, and Selected Readings in Korean. Audio files for this volume may be downloaded in MP3 format at <https://kleartextbook.com>

My Korean 2 - Young A. Cho 2016-12-20

My Korean 2, 2nd Edition is a follow-up to the first volume of *My Korean* which introduces learners to the Korean alphabet and some everyday situations to help them acquire 'survival' Korean. This book consolidates and extends the work begun in the first volume by helping learners continue to develop their ability to communicate in routine social situations. Key features include (1) authentic spoken Korean language examples; (2) authentic styles of speech appropriate to each situation; (3) situation dialogues presented in two modes: colour comics and text-only mode; (4) grammar explanations in plain English; (5) many types of exercises; and (6) extra learning materials available online (<http://talking2koreans.com>).

Korean Stories For Language Learners - Julie Damron 2018-09-11

The most enjoyable way to learn about an unfamiliar culture is through its stories—especially when they're told in two languages! *Korean Stories for Language Learners* introduces 42 traditional Korean folktales with bilingual Korean and English versions, presented on facing pages, together with detailed notes and exercises aimed at beginning learners of the language. The book can be used as a reader in first- and second-year Korean language courses or by anyone who wishes to learn about Korean folktales and traditional Korean culture. This elegantly illustrated volume is designed to help language learners expand their vocabulary and to develop a basic familiarity with Korean culture. The stories gradually increase in length and complexity throughout the book as the reader improves their vocabulary and understanding of the language. After the first few stories, the reader is asked to use the vocabulary in speaking and writing exercises. By reading these

classic stories, they also are given a window into Korean culture and learn to appreciate the uniqueness of the country—which provides greater motivation to continue learning the difficult language. Cultural notes and discussion questions further reinforce one's understanding of the stories, and bolster one's language skills. Korean-English and English-Korean glossaries are included as well as an overview of the Korean Hangeul script. Audio recordings by native speakers help readers improve their pronunciation and inflection.

My First Book of Korean Words - Kyubyong

Park 2012-09-10

My First Book of Korean Words is a beautifully illustrated book that introduces young children to Korean language and culture through everyday words. The words profiled in this book are all commonly used in the Korean language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Korean Words are multiple: to familiarize children with the sounds and structure of Korean speech, to introduce core elements of Korean culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and

linguistic notes, and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Hangeul, as well as in its Romanized form. With the help of this book, we hope more children (and adults) will soon be a part of the nearly 80 million people worldwide that speak Korean!

Integrated Korean - Young-mee Cho 2001-01-01

Rivers of Divine Truth - Rabbi Kirt A.

Schneider 2021-01-05

Revelations received from the Spirit of God always change lives. This 100-day devotional will inspire me to grow in my relationship with God, experience His power and have a life of victory. When you find true revelation from the Spirit of God, you are no longer the same. In today's culture, many people think truth is relative. But the Bible tells us that truth isn't a matter of opinion. Truth is found in God's Word. In Rivers of Divine Truth, Rabbi Kirt A. Schneider, host of the popular TV broadcast Discovering the Jewish Jesus, takes you on a journey through God's Word to discover the living truth revealed in its pages. The Bible speaks to every aspect of our lives, and only when we are grounded in the truth of God's Word we are able to walk in the strength, peace, and victory of God's promises.

Korean Grammar in Use - Beginning

(English ver.) (□□□) - Lee Kyung-ah (□□□)

2021-07-09

This book is the culmination of educational know-how and systematic grammar organization acquired by the three authors from their experience actually teaching Korean to

foreigners in the classroom. In focusing strictly on Korean grammar, this series represents a departure from most current integrated teaching materials, allowing foreign learners to more easily concentrate on grammar in their study of Korean. The authors have included real dialogues and illustrations to make the study of Korean more interesting, especially for those students who have heretofore felt Korean grammar to be difficult. Further, this series equally serves as a general Korean grammar reference that can be used by Korean language instructors both in Korea and abroad who regularly experience the difficulty of teaching Korean grammar first-hand.  ■ Appendix Good Things to Know Answer Key Grammar Explanations in Use Korean Grammar Ind
College Korean - Michael C. Rogers 1993-01-27 College Korean offers a comprehensive introduction to the Korean language designed for American students. Rogers, You, and Richards have used their many years of teaching to devise and test an approach that balances reading and writing with the spoken language. The result is a well-rounded textbook suited to a yearlong course in which students learn to

conduct conversations about their own lives and interests, read texts written in hangul, and write simple compositions. The book systematically introduces basic Korean grammar, a contextualized vocabulary, and styles of speech that are sociolinguistically appropriate for college students. Each of its 26 lessons contains a dialogue or a reading, practice patterns, relevant grammar notes, and exercises. Approximately 150 Sino-Korean characters are also introduced, and complete glossaries and grammar indexes are provided.

Basic Korean - Andrew Sangpil Byon
2020-12-17

The revised second edition of *Basic Korean: A Grammar and Workbook* is an accessible reference grammar and workbook in one volume. The text can be used in conjunction with any primary textbook, both as a practice book to reinforce learning and as a reference guide to the basics of Korean grammar. This book is comprised of 26 units covering key aspects of Korean grammar students would expect to encounter in their first year learning the language. Grammatical descriptions are followed by examples and exercises which allow students to reinforce and consolidate their learning. This new edition has been updated and enhanced to include more varied exercises and contemporary vocabulary and dialogues. Clearly presented and user-friendly, *Basic Korean* provides readers with the essential tools to express themselves in a wide variety of situations, making it an ideal reference grammar and practice resource for both beginners and students with some knowledge of the language.

Fluent in 3 Months - Benny Lewis 2014-03-11
Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language

gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

Korean for Beginners - Henry J. Amen IV
2010-08-10

Have you ever considered learning Korean, but been put off by the unusual look of the characters? Don't let yourself be scared away! Korean has been called "the most logical language there is," and with this friendly and thorough introduction you will soon see why. The best way to learn Korean—this book uses a lighthearted, humorous approach. *Korean for Beginners* starts by showing you just how reasoned and logical the Korean alphabet, hangeul, actually is, and helps you master it faster than you learned the English alphabet. Realistic situations you might encounter in Korea in Korean-speaking environments are described, and new words are explained in terms of how you'll find them useful to communicate. Numerous illustrations enliven the text, downloadable audio lets you listen and repeat phrases in the book. Soon you'll be able to say with pride, "I know Korean!" Features of *Korean for Beginners* are: Learn to read Korean writing with ease. Practical phrases help you converse with confidence. A lighthearted "guide" walks you through, bringing the language to life. Downloadable audio with native Korean speakers help you to speak Korean like a pro. As the more than 1 million Americans who speak Korean can attest, the Korean language is here to stay, and generations of young (and older) adults are determined to learn it. This book is for people who want a grasp of how to speak, write and understand Korean—and who want to enjoy things while they're at it!

Essential Korean for Business Use - Sungmi Kwon 2011

Essential Korean for Business Use is constructed around the various situations you may encounter while conducting business, and includes numerous expressions that can be used by learners of Korean at all levels. It contains those expressions necessary for foreigners who reside in Korea and work permanently at Korean companies, and it also deals with situations required for short term business trips. Especially, in order to do effective international business, you will have to first understand the

culture of the country and people. In this context, this book will aid in bringing its readers a bit closer to Koreans by broadening their understanding of Korean culture. In a word, because it is composed of the actual Korean expressions most often used when doing business, it is apparent that all readers will find it useful. The volume is composed of 15 chapters, each of which contains expressions necessary for both business and daily living. All of the expressions contained in this book are provided with both a literal translation and an English equivalent. At the end of each chapter, there is a list of vocabulary related to the chapter's theme, and each chapter also contains short tips that introduce key elements of Korean culture.
